Now, more than ever, the Boone students have seemed to expand beyond their borders out into the community **TERRITORY**. Although much of student life still takes place on campus, an increasing number of student hours are spent away from the **RESERVATION**. Orlando has been blessed with the wonderment of many internationally-known attractions which offer jobs as well as recreational fun. Therefore, after school hours have,

as never before, been filled with a variety of possibilities. This year, the **LEGEND** camera has remained with its subjects on the **RESERVATION**, but has also followed them out into the **TERRITORY**. We went about it differently to show that life has become more colorful and interesting than ever. The times and the lives of students have changed along with the area they encompass, but their **LEGEND** lives on.

Monday morning, 7:25 a.m. The bus has just arrived and you make a mad dash to first period in hopes of not being bestowed with another "tardy." Of course, you don't have your text for the open-book exam, but anything's better than another third of an absence. So much for starting this week off on the right foot!

The RESERVATION is our home base. It is here on the Boone campus that all our students gather in one place, if only for a few hours. For some, school means going to class. For others, it's a place to socialize and be with good friends. For all, it is an important part of our lives, if not to be realized until later.

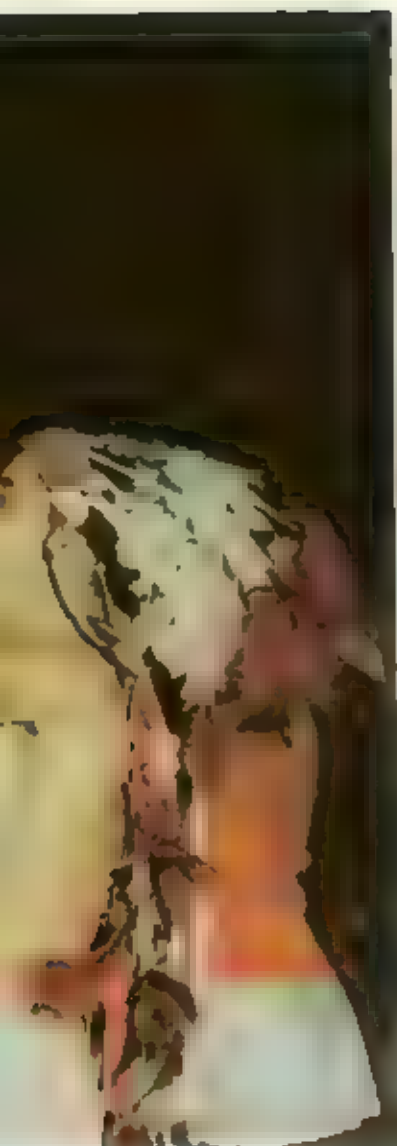

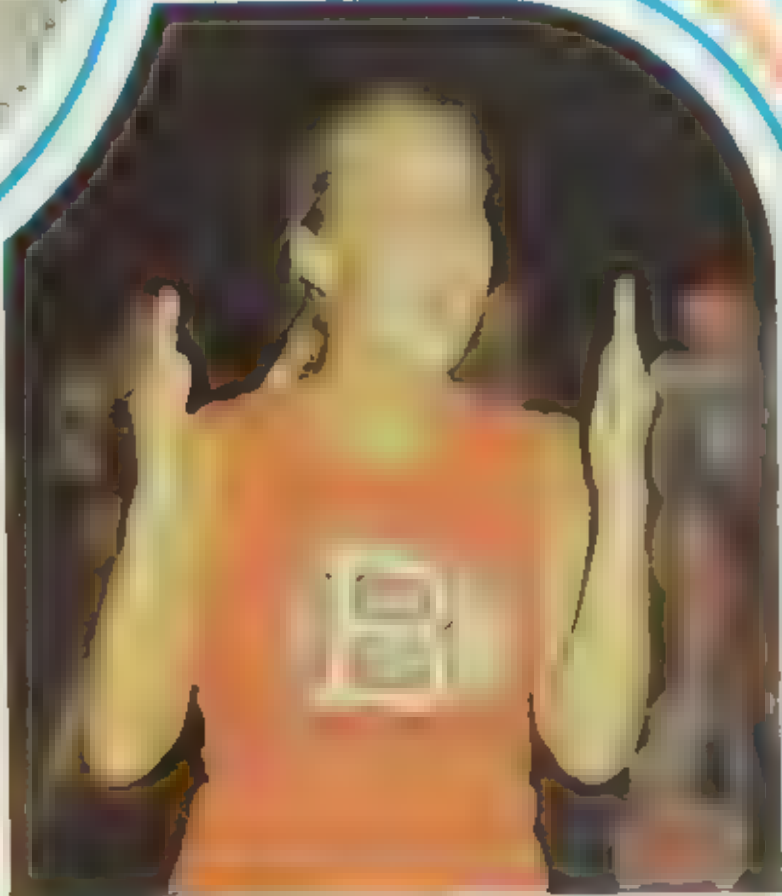

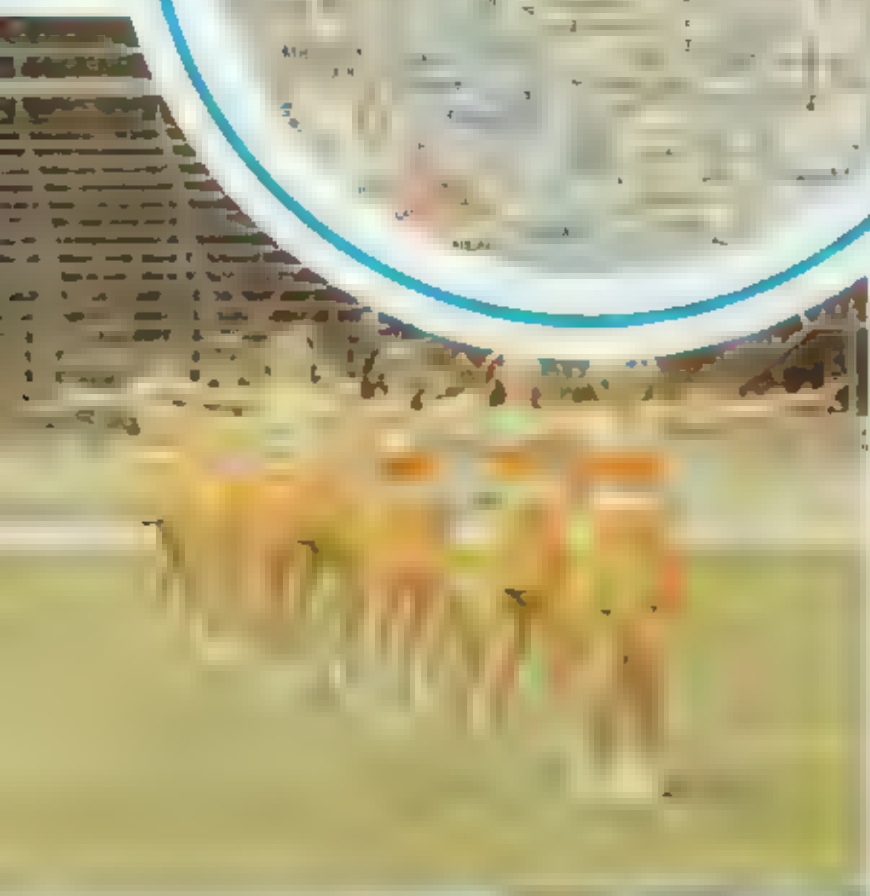

Boom! Someone runs into your back with a base drum. It does wonders for your posture and somehow it makes you feel like the marching band will never be ready for the Homecoming half time. But, after the show is over and the year almost at an end, you realize all the rigid work and sweating under the scorching sun was worth the experience. Clubs, organizations, and athletics take up time dur-

ing and after school. Even with the increase in activities off campus, our school spirit here on the RESERVATION demonstrates student involvement. Somehow Boone's scholars still find time to cheer on the team, practice routines, and plan school activities. There's no end to getting entangled in the web of the extracurricular.

EXTRA

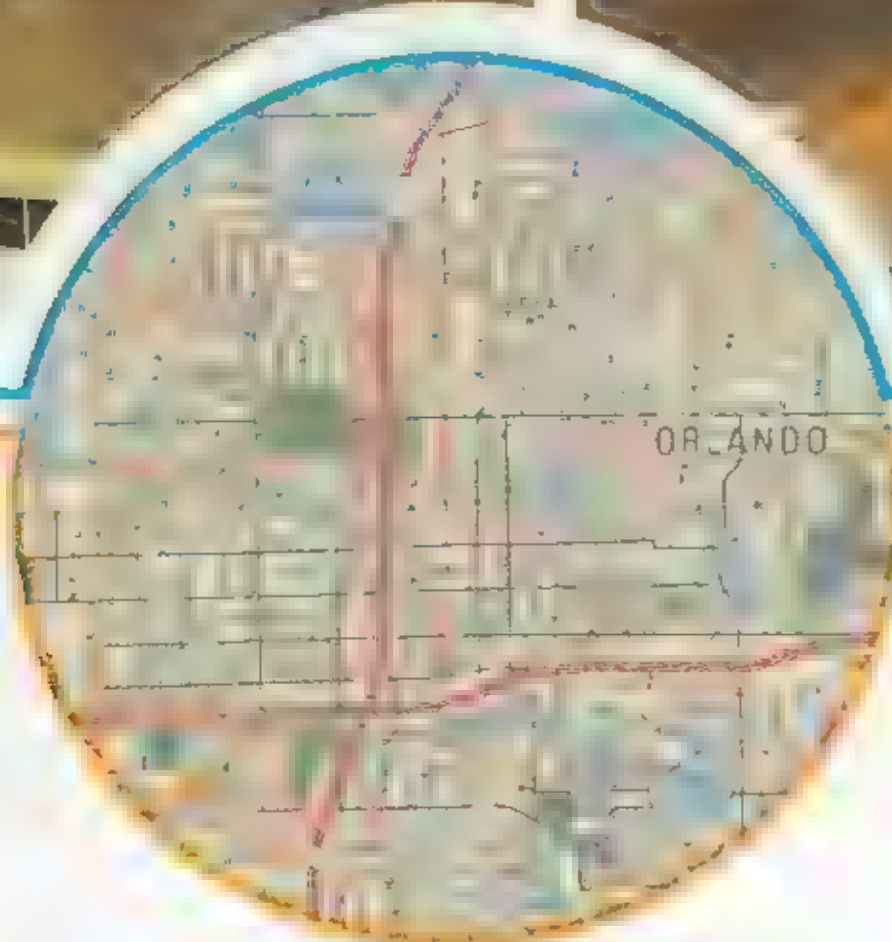

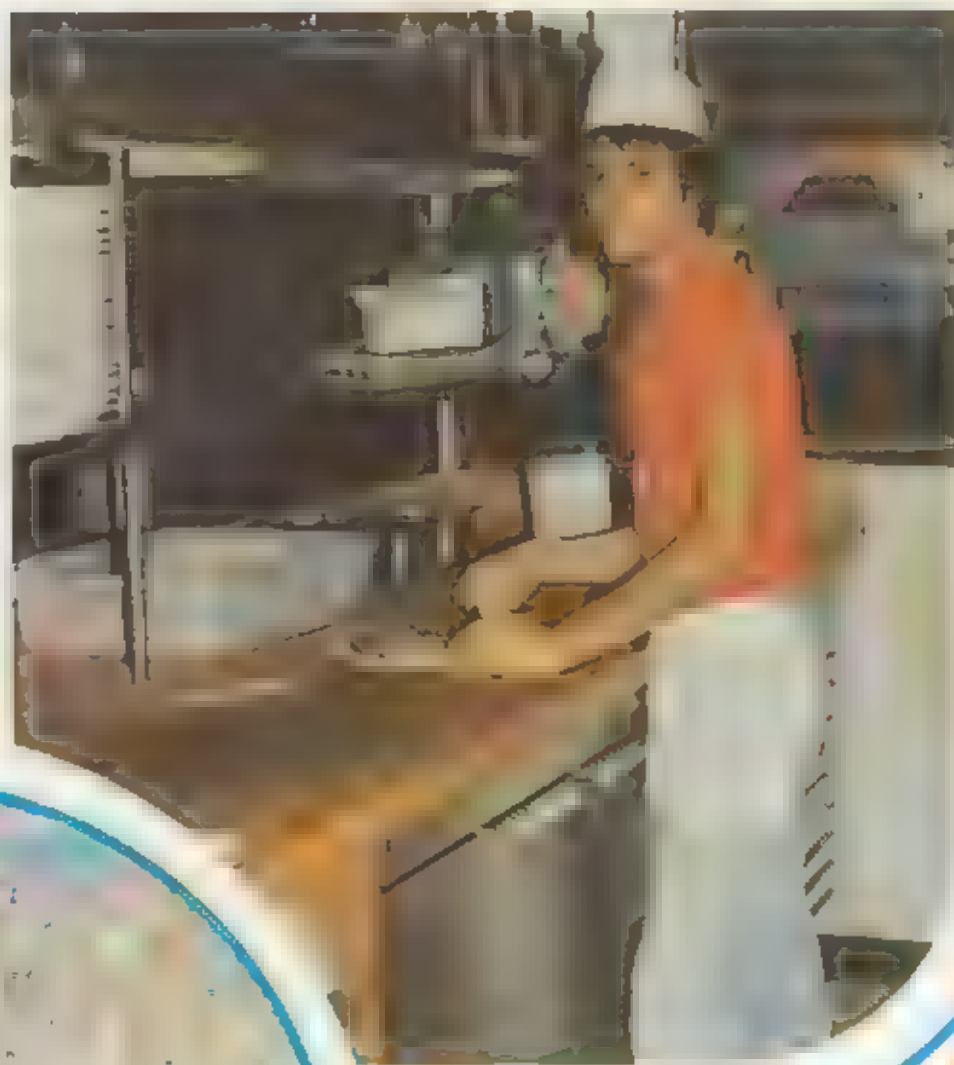

A CURRICULAR YEAR

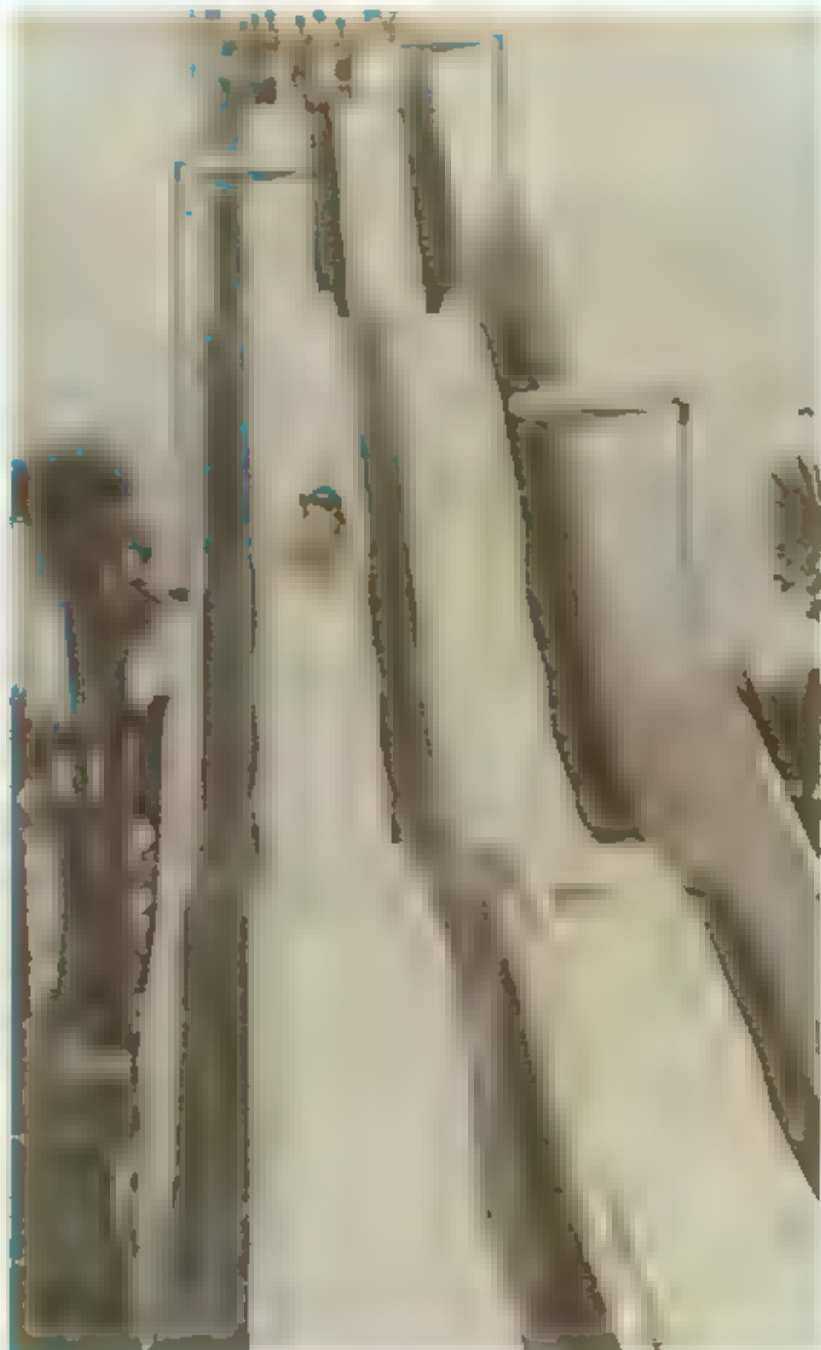

Remember the days when after school you could go home and watch the soaps? Or the weekends you'd find yourself at the beach basking in the sun? What about skiing on one of Orlando's many lakes or having a backyard barbeque? Out in the TERRITORY, the camera finds that many of our students leave a full day of school behind them and go on to work. The increasing financial

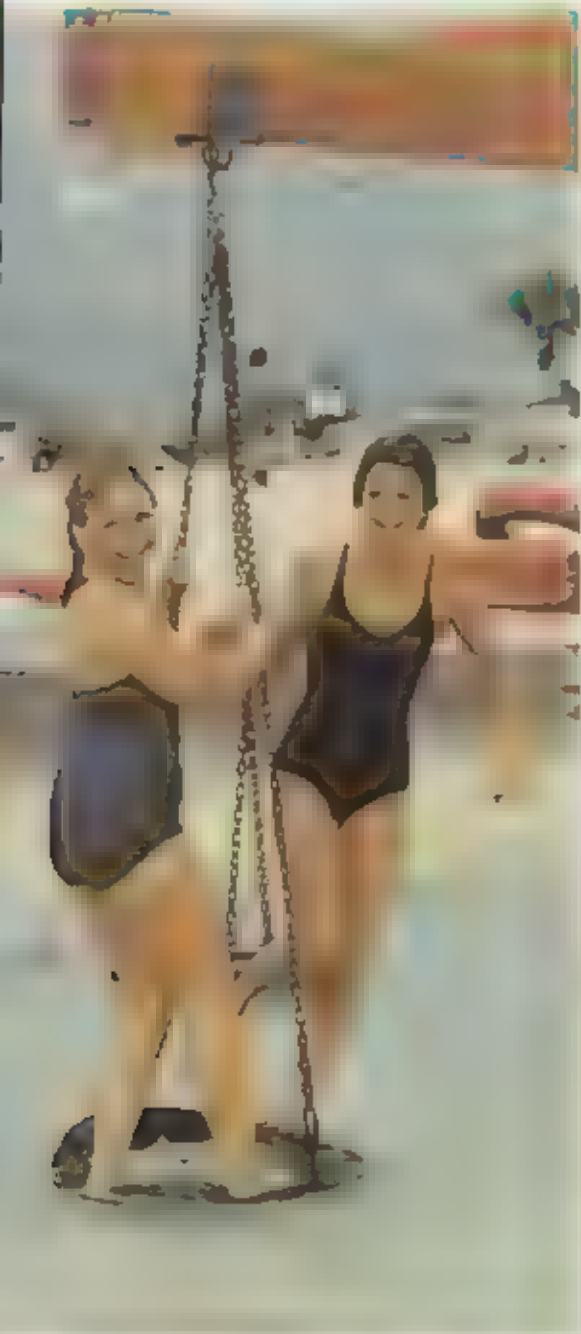

independence of our students shows us that no responsibility is too much for a Boone Brave. Serving burgers, taking orders, stocking shelves, creating pizzas, and dipping cones are just a few of the numerous skills acquired in the TERRITORY. This work experience enriches our students' lives by preparing them for the future and by giving them a head start into the working world.

Screeching down the treacherous slopes of Space Mountain, being kissed by a monstrous whale, or slithering down a glassy hill of water only to end up with half your bathing suit swimming away from your body — these are the things that make the Boone TERRITORY known world-wide. With its area attractions still expanding, Orlando creates an atmosphere for fun and frolic, not only for tourists but also for

Boone Braves. Annually, Disney World hosts Grad Nite. It is a time for Brave SENIORS to attend Disney, along with students across the nation. Sea World's Atlantis Theatre is the perfect setting for Boone's graduation. Besides these various school oriented activities, the area attractions provide us with many opportunities for making great memories with family and friends.

NEW

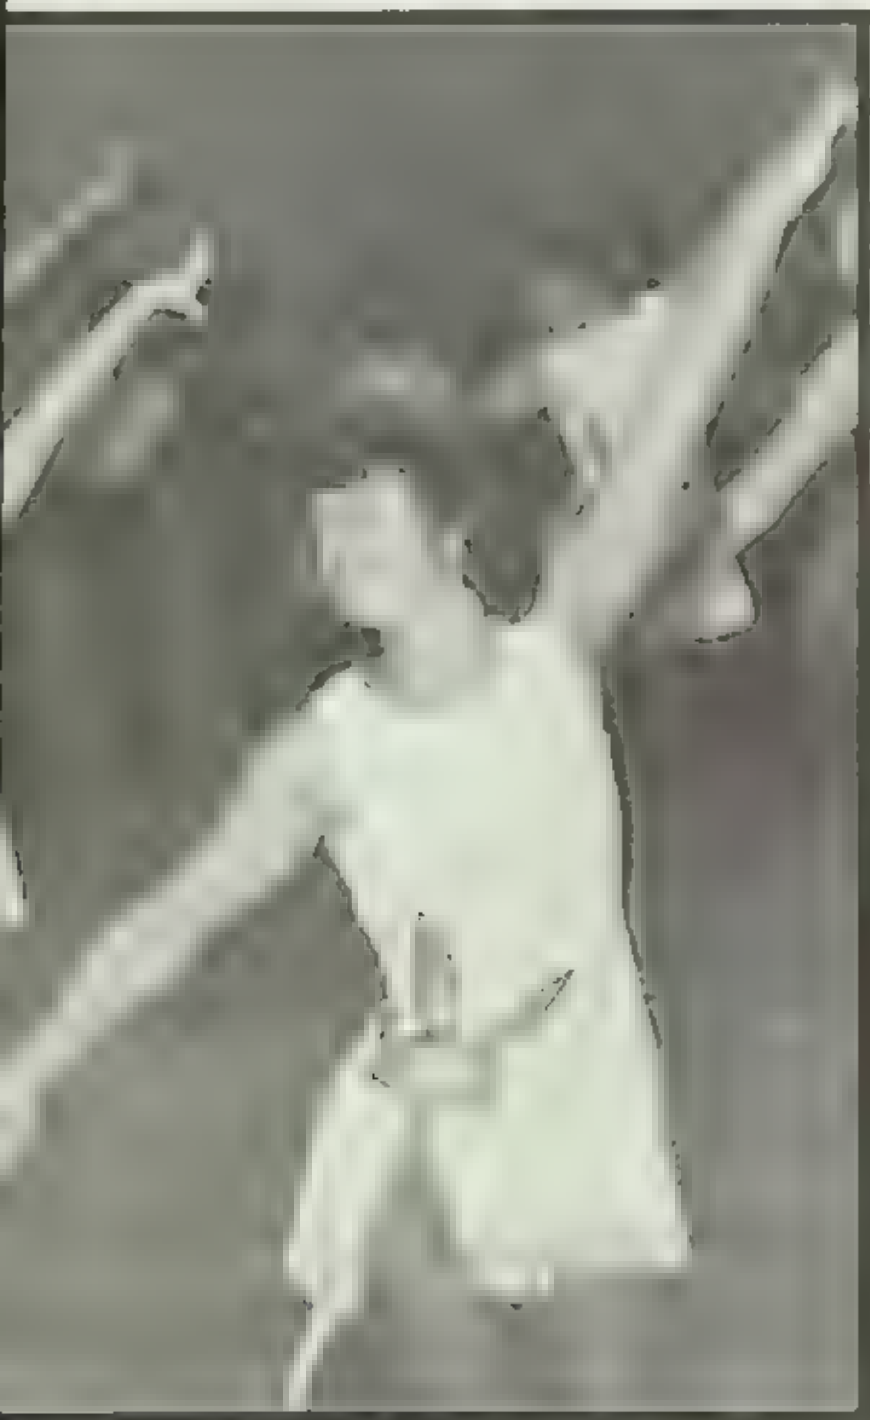

BEGINNINGS

The door of the school bus opens quickly and students gush out like water from a faucet. "How was your summer?" "What a great tan you have!" "Wow! You got your hair cut!" The endless summer is over but its enthusiasm stretches through the first day of school. Searching for classrooms and finding familiar faces, our students fill the once empty halls of Boone.

Immediately back into the swing of things, the Boone population attended our first activities on the RESERVATION for the year. Wayne Osley of WDIZ provided enough spirit at the first Pep Rally to spur the football team to a victory against Winter Park.

Such enthusiasm may not last all year long — especially when the school work really begins. Still, the spirit lasts long enough to give everyone a gradual start back to school and to new beginnings.

HOMECOMING ACTIVITIES

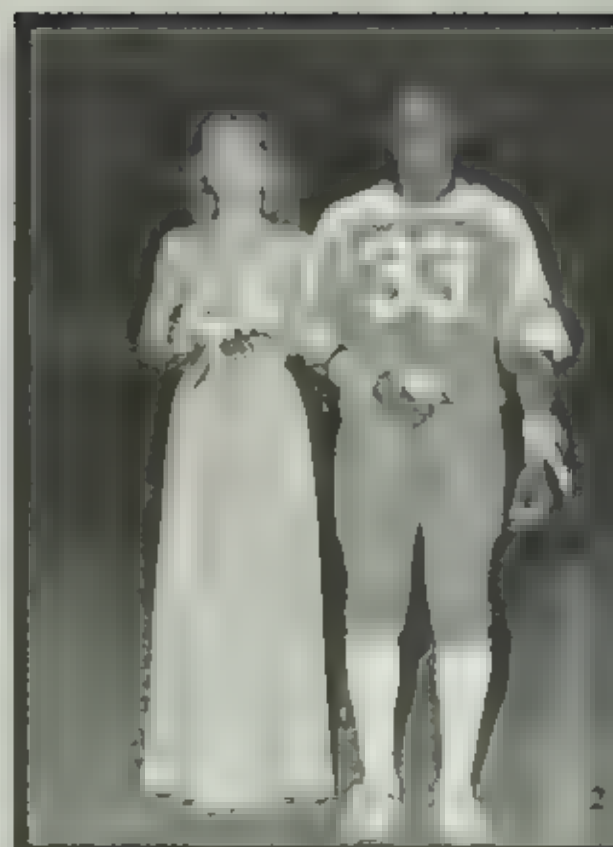

HOMECOMING ACTIVITIES began with the annual BRAVES Brawl held in the gym. Then came the excitement of trying to get the floats finished in time. There were also lots of prayers that the cloudy skies wouldn't bring rain. Since the game was on Halloween night, the theme of the parade was "Spirit on the Move" FCA won 1st in the floats and French Club won 1st in cars.

Girls in long dresses and guys in suits mingled with other couples and danced to the beat of Monterey.

In November, students were given the opportunity to pledge teachers in the Foul Shot. This yearly event takes place to help raise money for Boone's Basketball Team. The game works like this: All teachers are asked to participate by having students sponsor them to shoot baskets. Students are allowed to pledge 1 or 2 cents for each basket. When the big day arrives, the teachers are allowed to shoot, from behind the Foul line, continuously for 20 minutes. Each teacher's final number of baskets is recorded and the money is then collected.

Participation in the event is on the increase and hopefully next year all the teachers will donate their time and athletic abilities to this worthy cause.

Presenting BOONE PLAYERS

On December 9 and 11, if you had taken a peek backstage, you would have encountered a vast array of very unusual characters. You would've thought, "Aha, an insane asylum for sure!" But no, think again for it is only our own BOONE PLAYERS awaiting curtain call. Make-up, costumes and props were all part of their preparations for 3 short one act plays entitled, "Three Little Words," "The Clocks" and "Lifeguards." It was a definite success with parents and students alike

BOONE CHORUS SINGS ON....

'Tis the season to be jolly — Fa La la-la la la la la This started the annual Christmas Choral Concert. Parents, students, and kids all came to the concert on Tuesday, December 16. Choir, duets and quartets sang to their hearts content on that cold winter night. The night was a magical night full of fun and frolics — a night where dreams come true!

The following students were tapped for membership in the William R. Boone High School chapter of the National Honor Society on Tuesday April 14, 1981. They will be inducted at a special evening service on Tuesday April 28, 1981

CONGRATULATIONS NHS INITIATES!

SUE TROY

It takes a really special person to sponsor a yearbook, and we feel Mrs. Troy is that person. Her position as yearbook sponsor is not easy. She has to worry over meeting deadlines, getting pictures, spending many hours at home working, and, of course, keeping the staff

straight! We dedicate this page of the LEGEND to Mrs. Troy because she is special to all of us, and she deserves a page after all she has put up with over the past year! Without her help, devotion, and patience, the LEGEND would just be another yearbook!

It's a visual society we live in today, and the camera is making an impact on our lives as it never has before. Cameras are being used by people in every walk of life for both pure enjoyment as well as careers.

At Boone, photography students used their cameras as tools to unlock creativity. It has helped make them see themselves in a very special way and communicate that special insight to others. Due to limited space, the yearbook staff regrets that not more student work can be shown as the number of excellent photographs created this past year was outstanding.

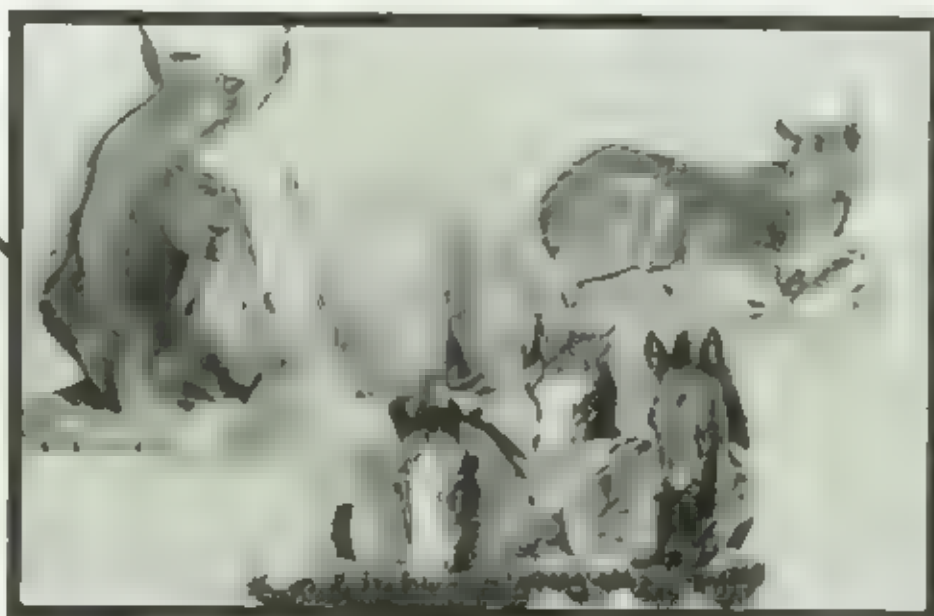

Whether photography is an art or a science, a hobby or therapy, does not matter in the end. Only the photograph is important — it is man's most vital and important means for communicating ideas and thoughts. It is the hope of the staff that all Boone's photography students go on increasing their awareness of life and recording the valuable moments of time.

Even more outstanding than in past years, the art work by our many talented students have surpassed our greatest expectations. Competitions were entered and awards were won throughout the year '80-81. We commend these students for their fine job on the emblems in the gym.

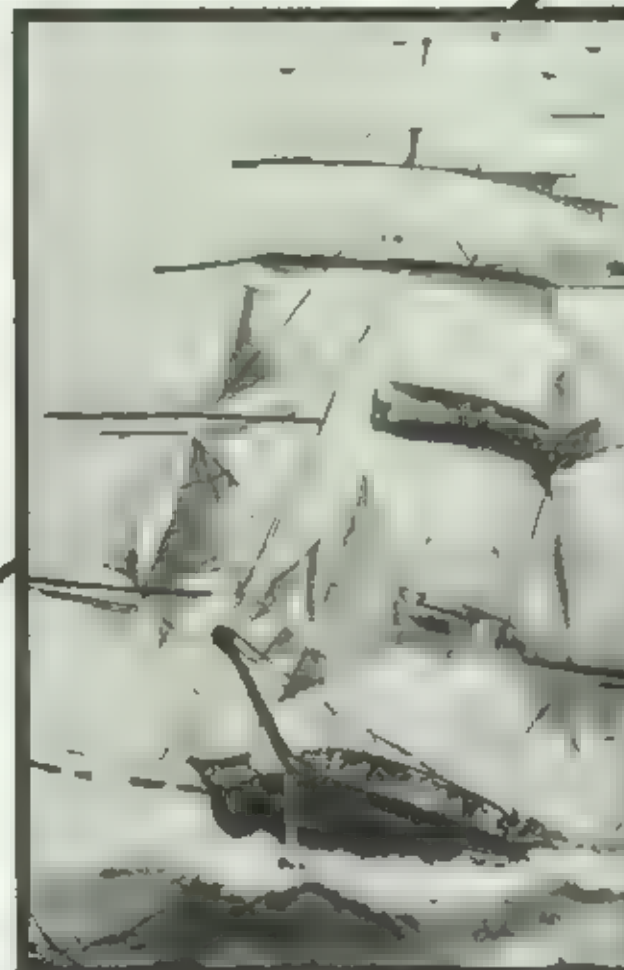

Just think! These are our future Rembrandts and Michel-angelos!!

One of the untaught art forms prevalent at Boone is DESK GRAFFITI. Just one of the many types, such as wall graffiti and locker graffiti, desk graffiti had a more permanent position at Boone this year as the walls and lockers were painted. These crude drawings and inscriptions are scratched or scrawled on desk tops during crucial moments of class lecture and lessons. Created to be viewed by the public, this art form expresses a variety of feelings by the student artist.

LEGEND 1981 Editors
Betsy Henry and
Carl Schroeder

A LETTER TO THE EDITORS

Having sponsored the Boone LEGEND for three years now, I've finally acquired the nerve and established a way to hide the existence of two pages from my editors and staff in order to have them all to myself to complete. Each year, it seems that for the amount of work the editors put into the yearbook, they get very little recognition. Unlike the other staff members, whose pictures appear before the sections they work on, the editors only get their names printed on the title page. For the time, effort, and worry these selected students give to the LEGEND, this hardly seems adequate.

The editors' job is not an easy one. Credit should be given to them for their ideas which designed the theme, cover, endsheets, all the color pages, and the division pages between sections. By Boone tradition, all their work demands strict secrecy from the student body as well as the staff so, this limits their working time and space. Their deadlines are the most important of all as all but the division pages must be sent to the publishing company very early in the school year. This allows little time for mistakes and requires organization and advanced planning. Besides the grueling hours the editors need for their own work, they also help the staff with ideas and layouts — keeping everyone on time and in line so that, hopefully, we are able to enjoy the book before the school year ends. Perhaps the biggest responsibility of all is keeping the staff's spirits high during all the crises we befall and keeping a very neurotic sponsor calm and happy.

THE EDITORS

As a first year sponsor in the school year of '78-'79 I knew next to nothing about yearbook publication. That year I was lucky enough to have Marty Nixon as Editor and Janet Coplin Kraft as Assistant. It was truly a learning experience for me as Marty and Janet ran the whole show. Perhaps, this is why I feel that out of the three yearbooks, the 1979 LEGEND stands unequalled. They were forced to do it entirely on their own.

In '79-'80, Michele Wrobel was our Editor and Kathleen Johnson was the Assistant. I felt better about this year than I had about the last. I finally knew a little something about producing a yearbook thanks to "Professor Nixon." With the ideas flowing from Michele and Kathleen and our new-found knowledge about "tool lines", a yearbook was created which earned a 2nd place rating in national competition.

This year was the first in my experience that I found myself with a female/male editing team. Thanks to Betsy Henry (Editor) and Carl Schroeder (Assistant Editor), I kept my sanity and enjoyed my third year as the sponsor. No misinterpretations allowed! This year did not go without a crisis! I had been told my job would get easier as the years went by. However, contrary to this, the staff seemed to encounter more problems than ever. For one thing, deadlines were set sooner than what they had ever been which meant Betsy and Carl worked harder and had a shorter time to accomplish their goals. Still, their efforts and teamwork managed to overcome and they still managed to produce excellent results.

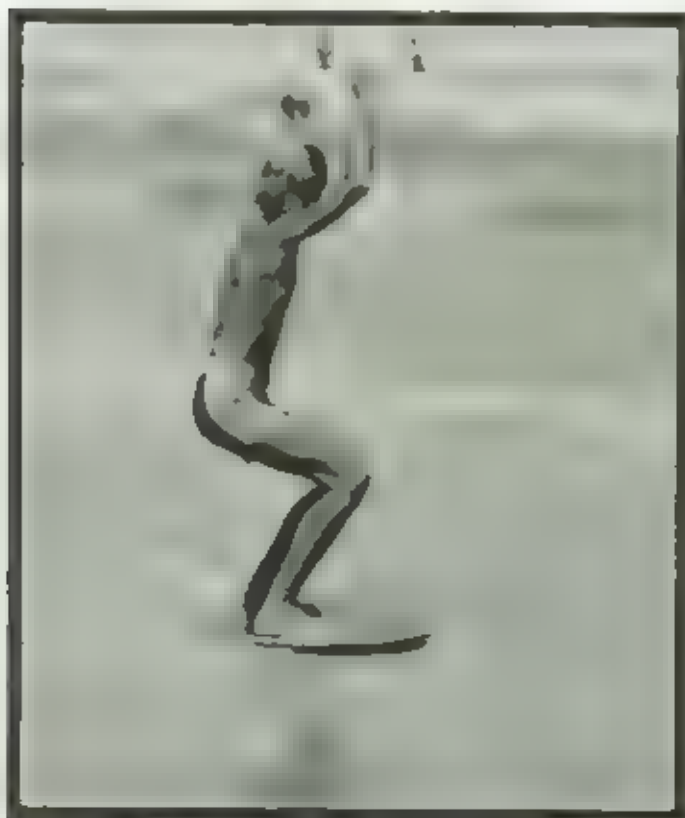

I can't begin to thank all my editors for everything they have done for me. The enjoyment I've had working so closely with all six of my editors has given me many precious memories. To Betsy and Carl, I wish lifetimes of happiness and good fortune. I'm sure with your determination, great sense of responsibility, and sparkling personalities you each have a world of happiness to look forward to. Be proud of all that you've done for this year's book and let the LEGEND of your accomplishment live on forever.

Sincerely
Your Friend and Sponsor
Sue Troy

FUN in the SUN

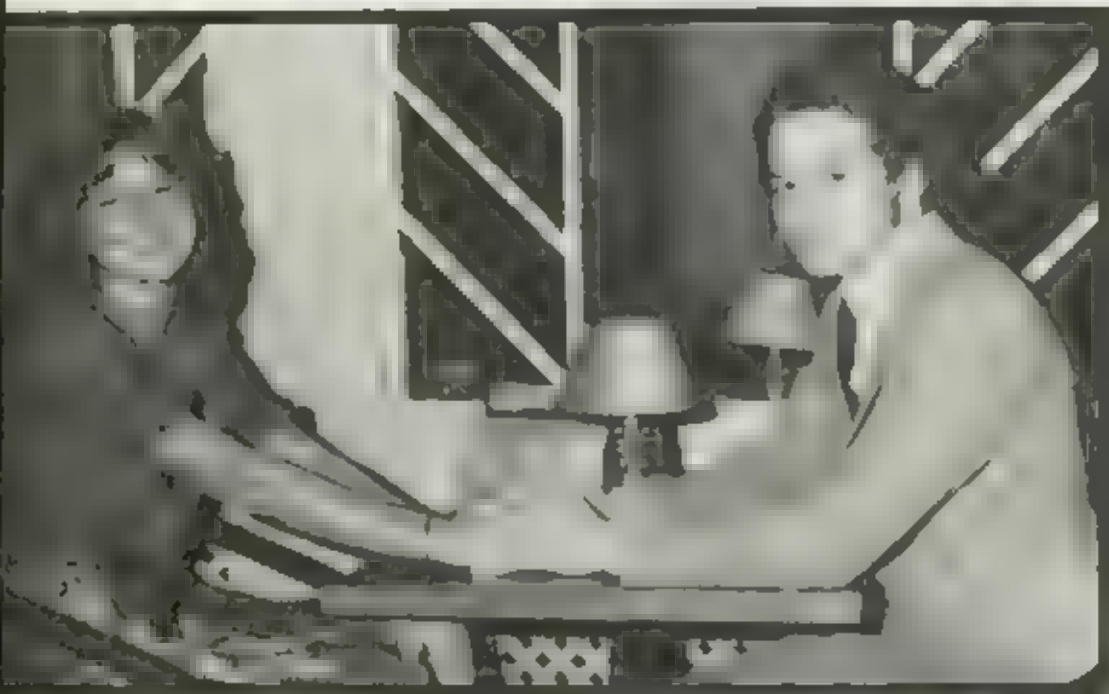

A favorite destination of many students, the beach, attracts large crowds every day with its sunshine, cool, clear water and crisp breezes. Sailing, surfing, swimming, frisbee, or just walking along the shore make up the events enjoyed by students eager to have FUN in the SUN

GRAD NOTE

Along the well-lit paths of the Magic Kingdom, SENIORS spent an exciting, fun-filled evening amid spectacular events, daring rides and dancing to music provided by popular groups.

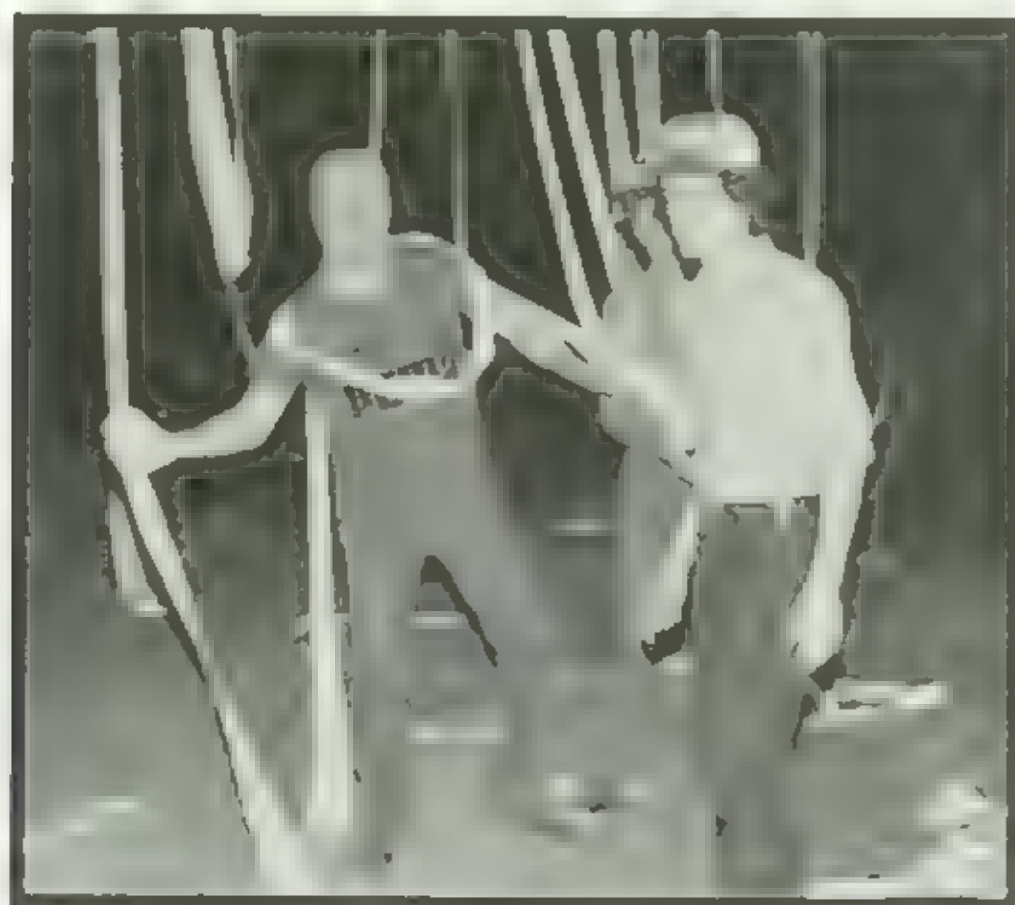

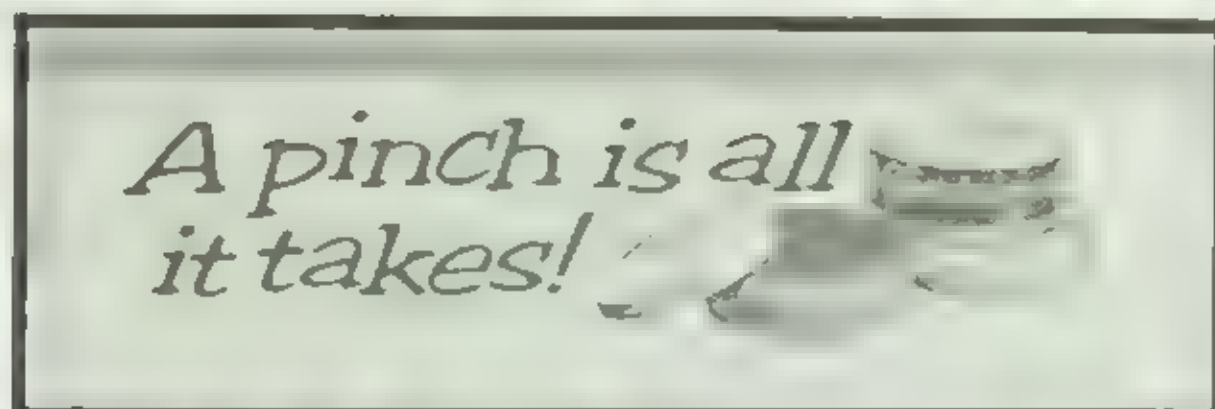

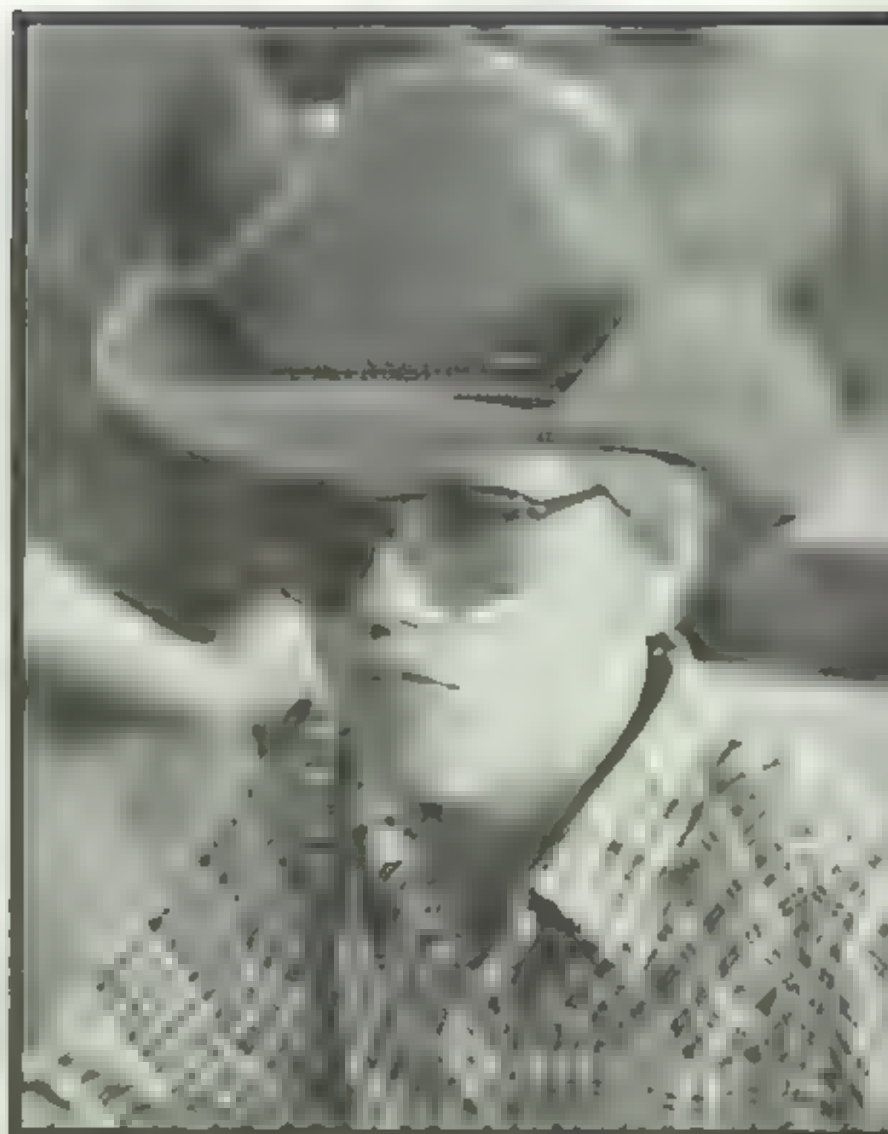

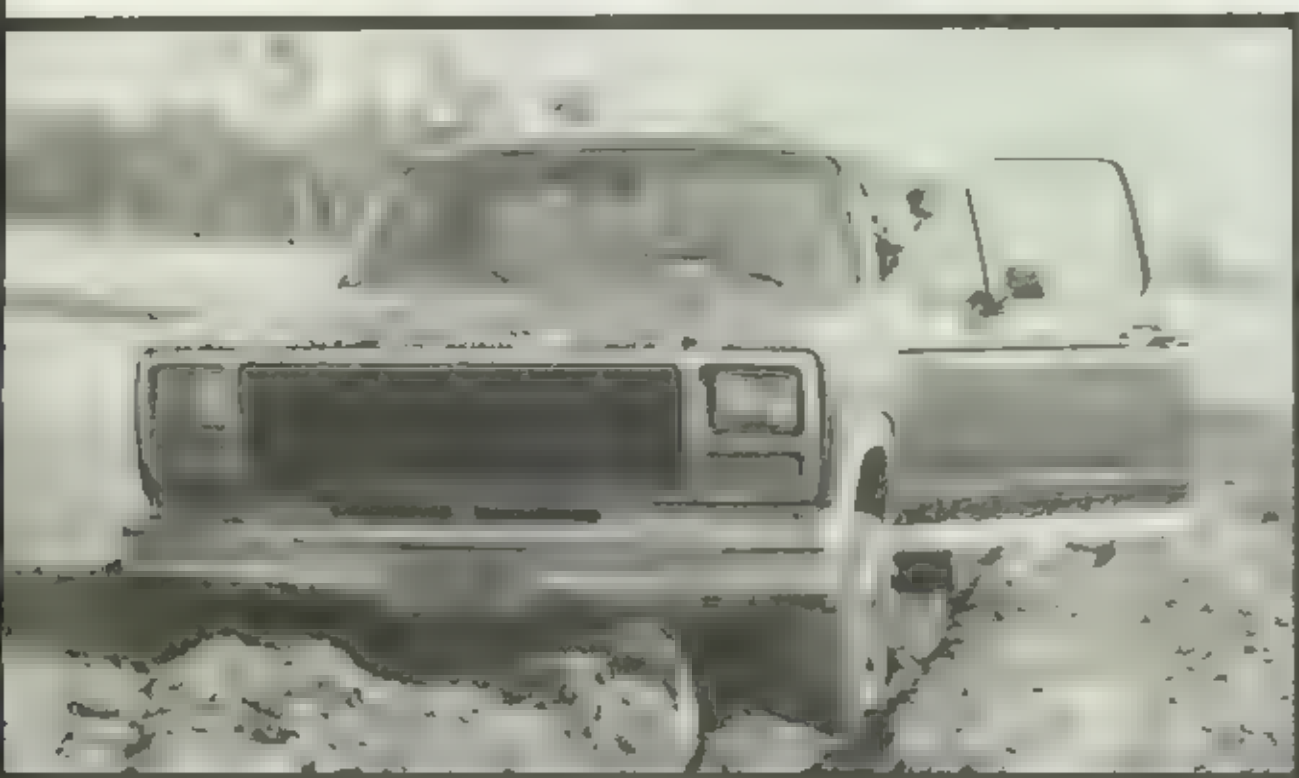

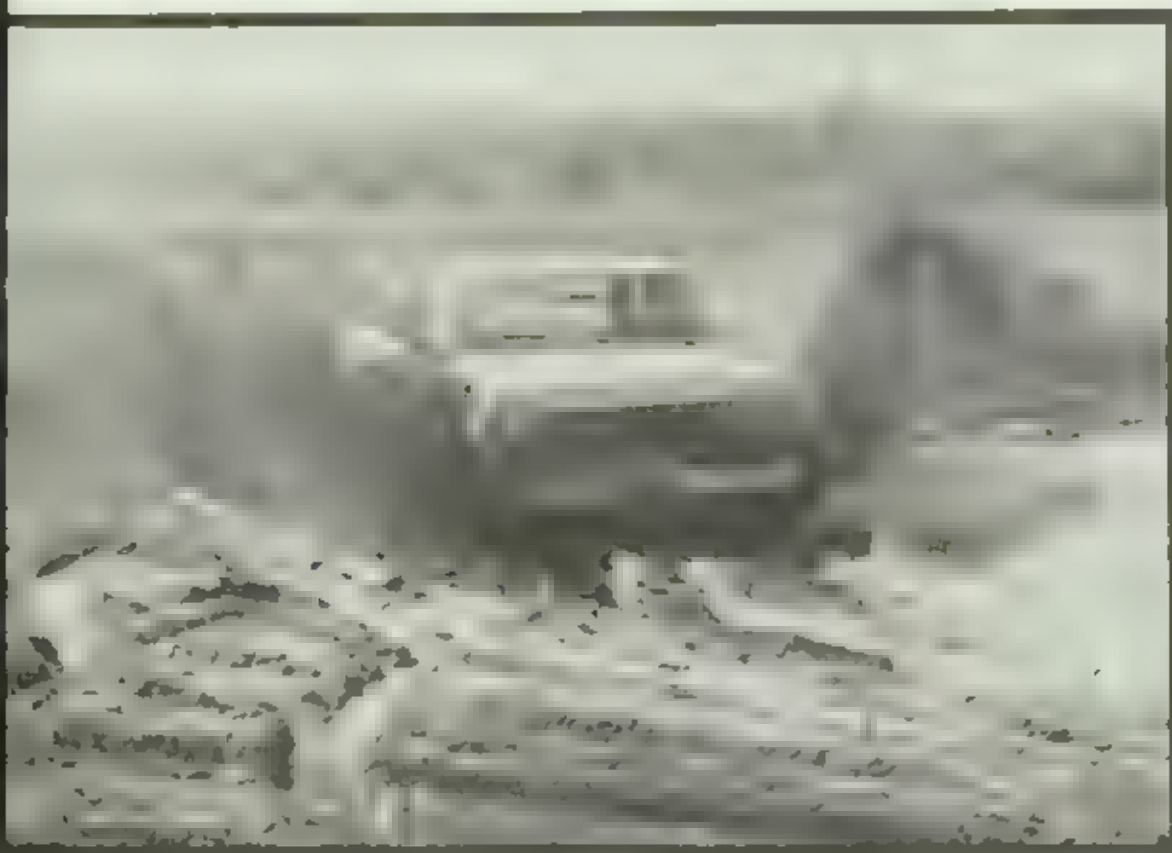

TRENDS

In the 50's, black leather jackets, bobby socks, and swallowing goldfish grew in popularity with young Americans, but times have changed and new things have developed.

4-wheel drive trucks, rolling, plaid skirts and cowboy apparel are the latest fads among the fun-loving teens of '80-81.

As the days go by, who knows what trends the future shall hold?

Apathy (apá-thē)n. 1. Lack of emotion or feeling. 2. Lack of interest in things generally found exciting, interesting, or moving; indifference.

A loathful disease has swept over the RESERVATION this year affecting most of the BRAVES. This disease was defined as apathy. It was first noticed at the football games. Despite the fact that the team's record was 5-5, our cheering section had a record of 1-9.

The disease became more evident during Spirit Week. The few enthusiastic BRAVES were shocked that they could count the number of participants in this week-long event on one hand. Fifty's Day, the big finale of spirit week, was supposed to end with a pep rally. The pep rally was held, but the 50's attire was left out.

To top things off, the Juniors held a Christmas dance that was supposed to be a big money raiser for the Junior-Senior Prom. How can they raise big money with only 25 people in attendance?

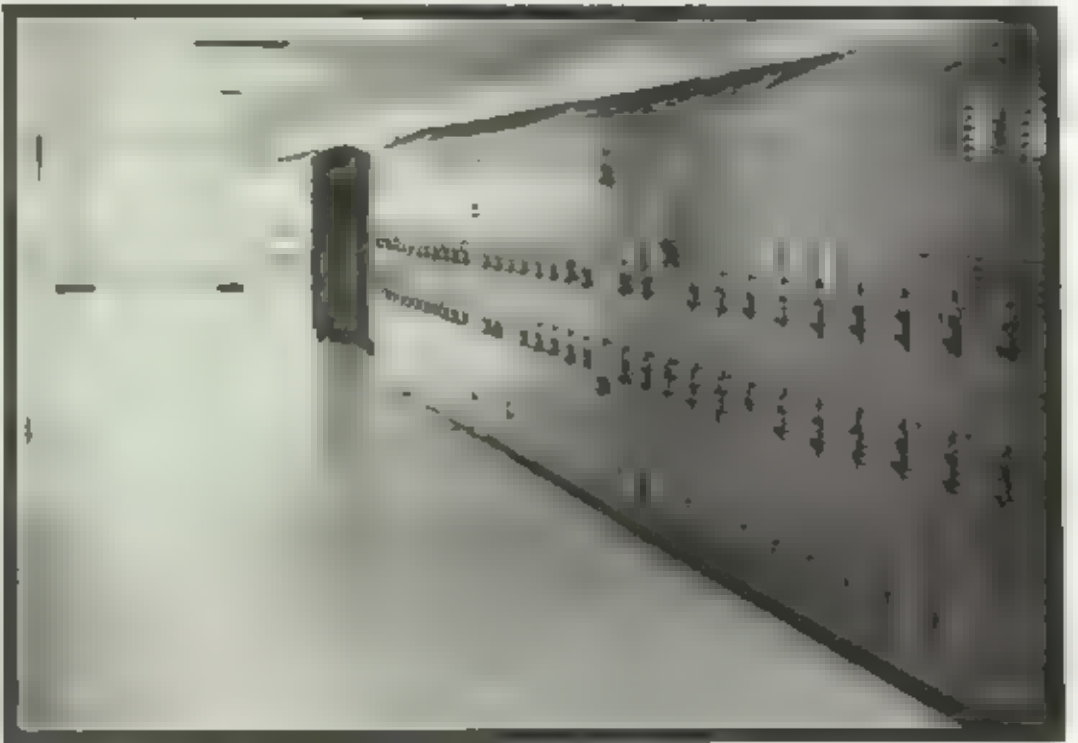

We SENIOR BRAVES regret how this disease has robbed us of what could have been enjoyable moments along with unforgettable memories.

Next year, BRAVES, you can overcome this by stirring yourselves and getting involved in at least one activity wholeheartedly. Also, support each other and respond to activities others have prepared for your enjoyment.

This RESERVATION is full of enthusiasm waiting to be released by YOU!!

Danny Upperco thinks it over

The defense sets up for the next play.

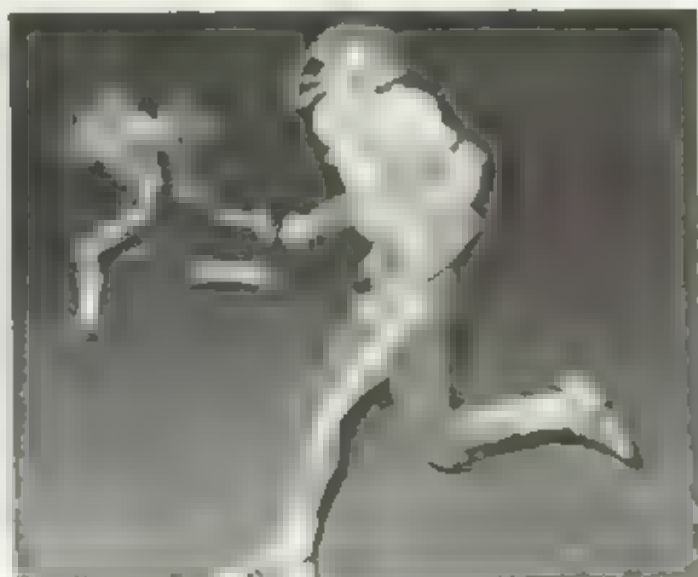

Leaving the Boone football game, as the crowds' chant grew quieter and quieter, I was overcome by an overwhelming deep inside feeling about being a Brave. I mean, the fans (students) really have a great time watching their classmates battle it out on the field for a Brave Victory. What school dedication!

It may not have been the greatest year ever, but I can say the team sure had team spirit, full of stamina to go out and at least push to win. The season ended with 5 wins-5 losses, making it the most successful in 6 years.

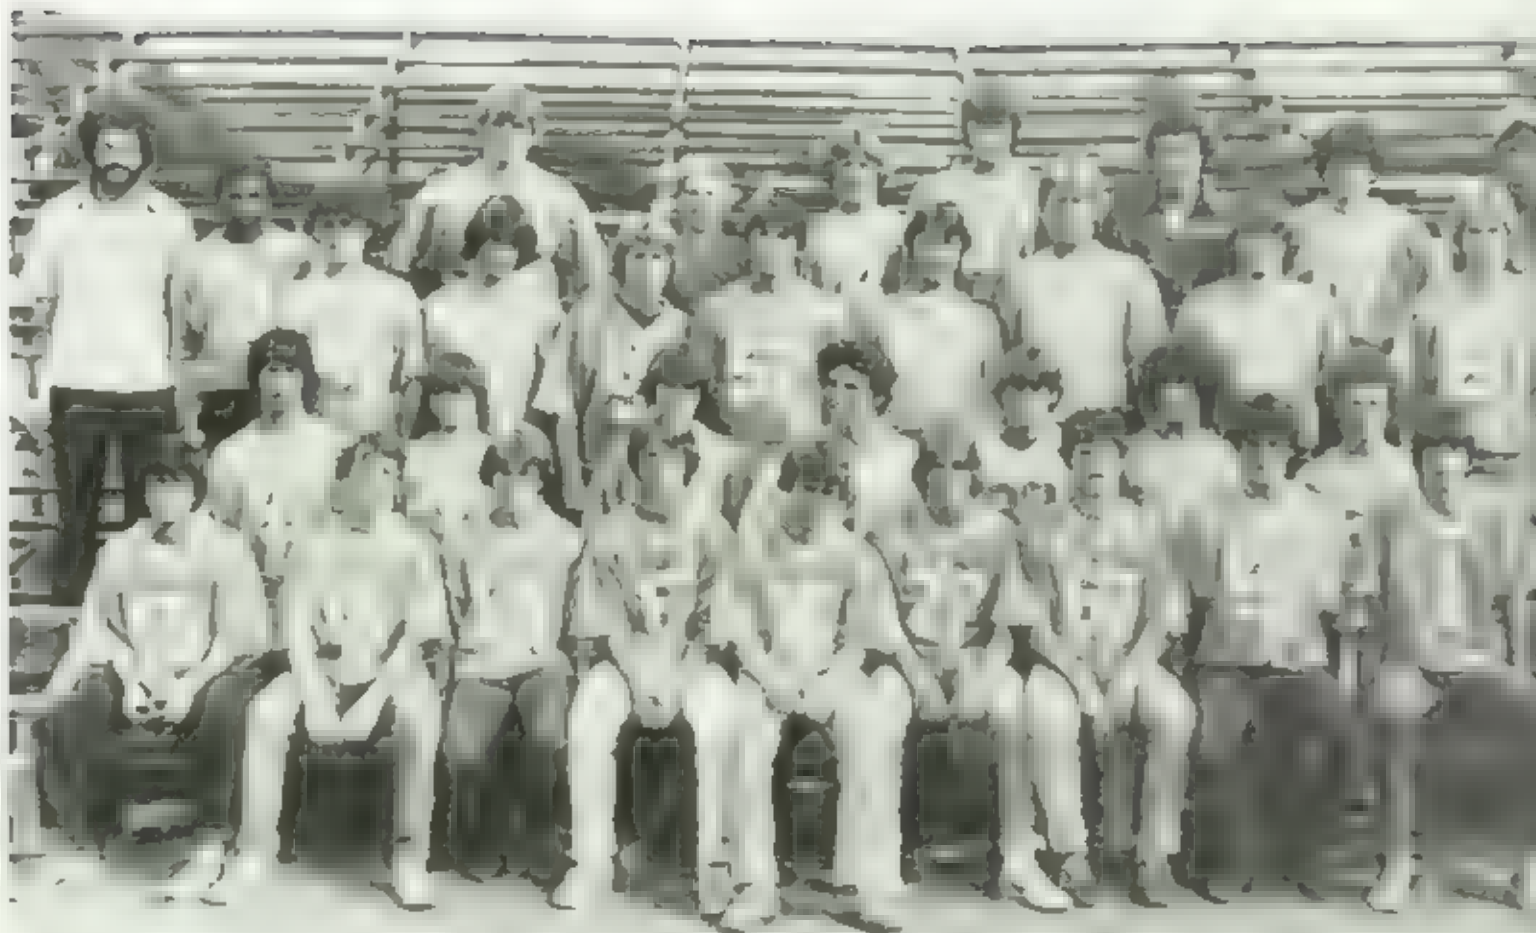

Even in hard fought battles, they came out as good sportsmen, as they should and as they always have.

Of course, every player has skill but I recall over the season a few of the outstanding contributions by the following individual efforts: Sophomore runningback, Gerald White, rushed for 1100 yards; QB Daryll Hayes passed over 1400 yards and threw 20 touchdowns with a 51% passing completion record. Roger Stalvey received 41 passes, gained 700 yards and completed 9 touchdowns while Upperco gained 350 yards and completed 7 touchdowns. Hale completed 3 touchdowns and White completed 5 touchdowns.

Each member of the team was a tribute to the LEGEND of the Mighty Braves! Good going team!

BABY BRAVES IN ACTION

The crowd is in anticipated silence — each fan sitting on the edge of his seat, ready to jump up in a moment to give an exuberant cheer. All eyes are on BOONE's quarterback, David Hepburn. The offensive team is in position. David glances toward his tackle, Mike Guthrie, on his left, and then gives the eye to wide receiver, John Brim. All is ready — the last chance to win and the scoreboard reads five seconds. Not a sound generates as David prepares to receive the snap and the offensive line digs in. Hut! Hut! HIKE! The ball is snapped, Hepburn drops back and fires a long bomb to Brim. The crowd goes wild as he snatches the ball from the air and charges for a touchdown. BOONE HAS WON!

Boone could not have had such a good offense this year if they had not been backed up by a great defense. The defense was spearheaded by line backer, Danny Williams, defensive end, Jim Swegheimer, and corner back, Joe Baruzza.

The 2-5 win/loss record is only numbers and it in no way reflects the spirit our team had. They had a great season and enjoyed being a part of the spirit that makes BOONE number ONE. Good job, men.

SQUAWS ON THE RUN

The Girls' Cross Country team had a fantastic season this year. This young team, led by Captain LuAnne Sloan, was composed of juniors — Amanda Wright, Maria Cannarozzi, Ann Browne, Angie Hewell, and sophomore Karen Flinchbaugh. Even though they were a small team, they were the fastest in the school's history with all six girls running the two miles in less than fourteen minutes. In the Daytona Beach Run LuAnne Sloan put on an outstanding performance with a time of twelve minutes twenty-six seconds. In the Metro Conference Meet Amanda Wright also showed an outstanding performance with a time of twelve minutes twenty-eight seconds. Great progress was made by newcomers, Maria Cannarozzi and Karen Flinchbaugh. Highlights of the season included victories over Colonial and Oak Ridge in dual meets, fourth place finishes in the Metro Conference and Colonial Invitational Meets, and fifth place finishes in the Boone and Greyhound Invitational Meets. This fantastic team put forth a great effort to have the fastest times in Boone history and a great season.

VOLLEYBALL TEAM SHOWS SPIRIT

This year's volleyball team performed like true braves, although their record was not as good as they wished. The girls on the team played extremely well and, many a time, came back from near defeat. The team really showed undying stamina and, above all, undaunted spirit. "Good going girls." Much thanks to Coach Powell for his support and hard work.

SOCCER VIBES

This year was a rebuilding year for the soccer team. With only four SENIOR starters, Frank Cawthon, Bobby Pirson, Bobby Fornasier, and Glenn Miller, experience was lacking on the varsity squad. Coach Griffin set two goals for the year. 1. To improve team play — better teamwork. 2. To play consistently — minimize mistakes. The achievement of these goals hinged on two things: Player injuries and player maturity (attitudes and confidence). Team development is being accomplished through concentrated individual ball skills and learning advanced techniques and tactics. This year the soccer team had a lean season, but they tried their best in every way.

J.V. SOCCER

The JV Soccer team, coached this year by R.J. Griffin, has shown itself once again as skilled players. They have upheld the Braves tradition of being spirited, good sportsmen. Whether they won or whether they lost was not important but whether they were a team. Next year, some will join our varsity team placing a goal on winning. Thanks are extended to Coach Griffin for a good season.

MORE THAN A BOUNCE

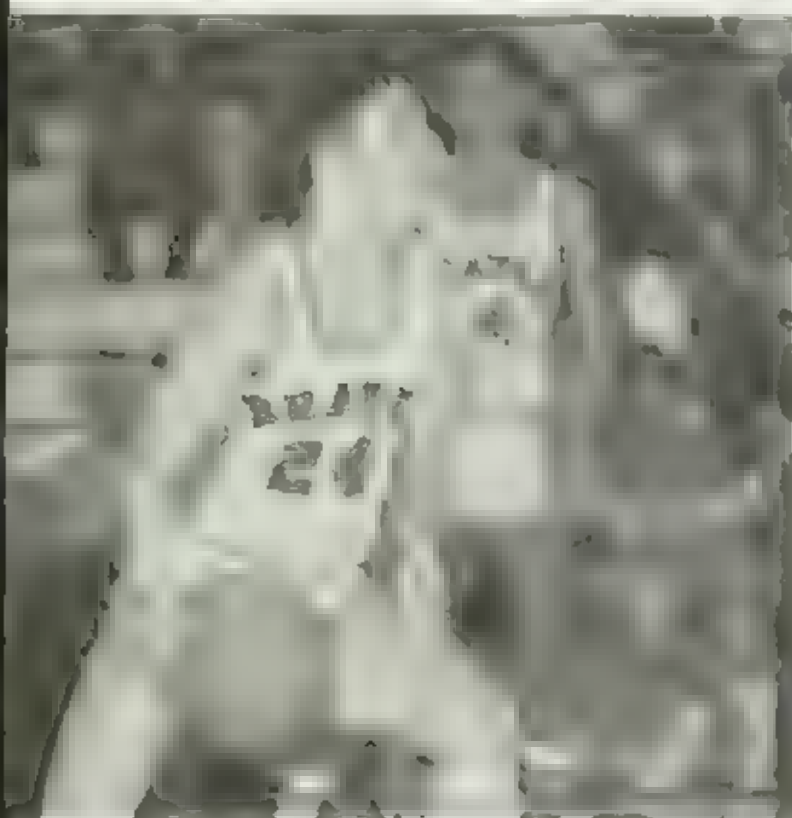

Basketball is a contest of skill, talent, and team work. Endurance and the use of brutality and overpowering strength and weight is highly unnecessary. Our Braves' team had its usual proudness and enthusiastic team spirit, each member helping in winning in the Braves' Victory. The Braves showed their capabilities in skill when the Evans Trojans, 7th in the state and 1st in the Metro Conference, had to bow in defeat to the Mighty Braves. No sooner was it that the Oak Ridge Pioneers took the position of 1st in the metro when Boone also defeated them. At the end of the season, Pat Lowry came out with the highest amount of total points, combining the action and skills of field goals, free throws, rebounds, and assists. He was followed by Jon Lumbert and Dan Upperco. The season ended with 13 wins, 12 losses.

In the Boone Invitational Tournament, Lumbert and Upperco were chosen for the all tournament team. Boone also won the Cypress Gardens Invitational, Lowry and Upperco being chosen for this all tournament team.

The team expresses their gratitude toward Coach Rickman.

John Lumbert quickly dribbles the ball downcourt. He dodges the opponent and onto the basket he goes. Stalvey and Hungerford keep close tabs on Lumbert, ready for a pass.

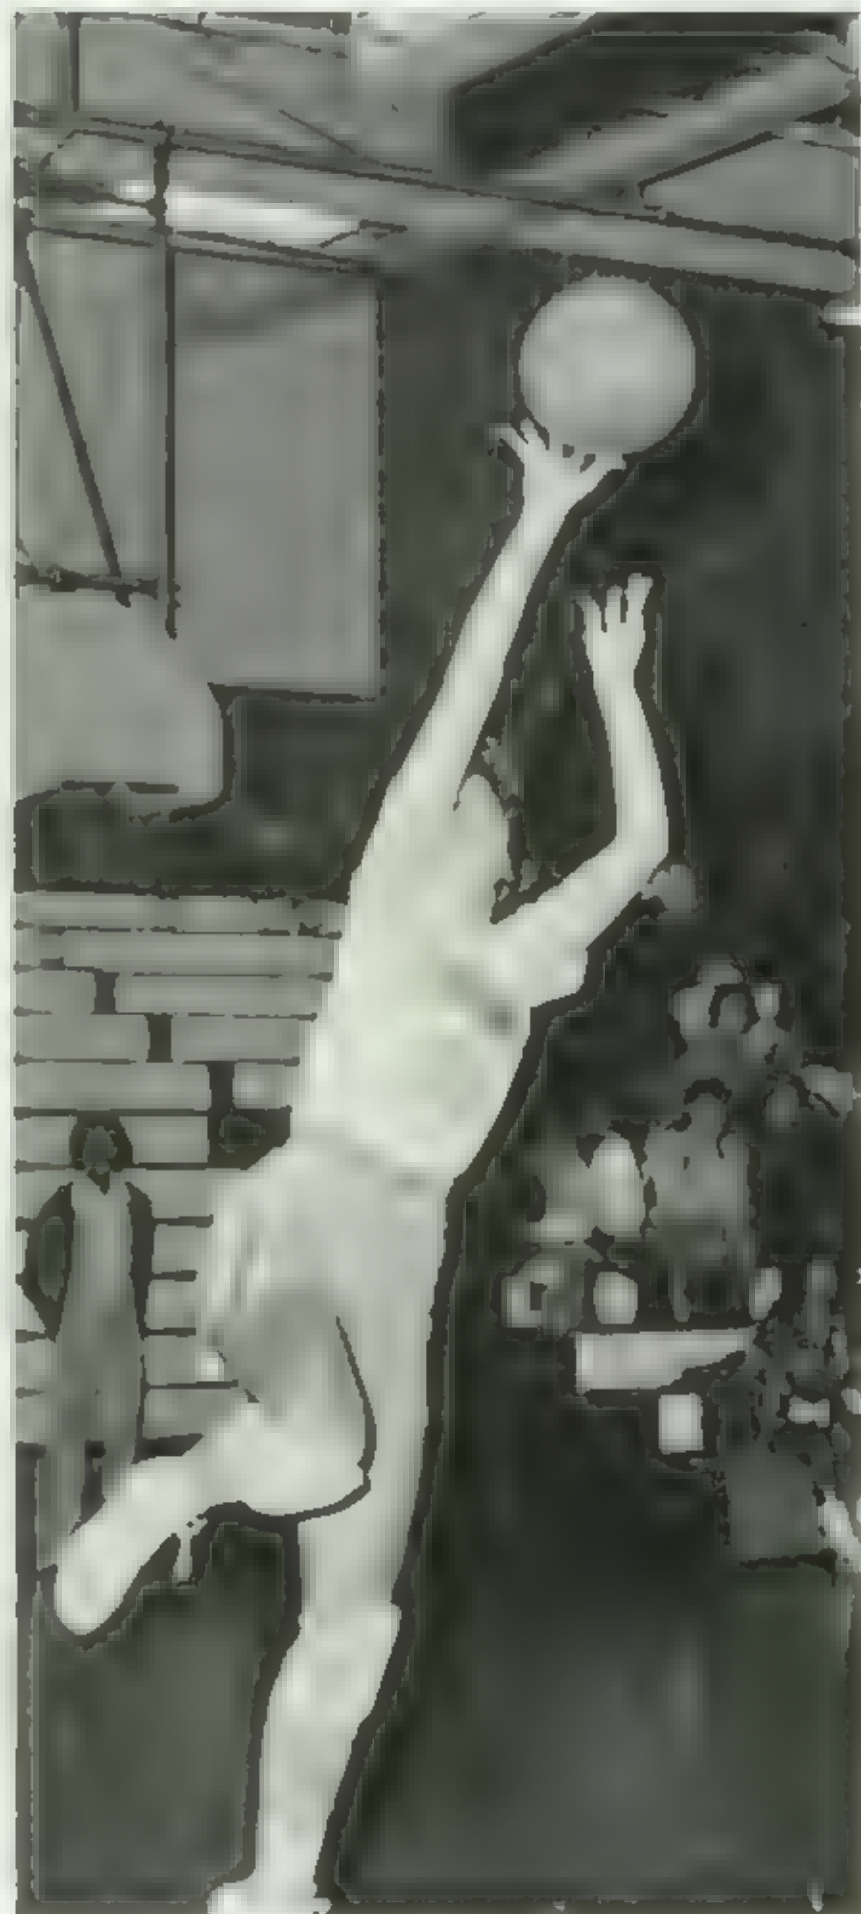

Wow (Who is this guy?) He dribbles that ball pretty good.

With the increased interest in girls sports comes more competitiveness, skill, and determination. This year's basketball team is no exception. Though they lacked experience, with only four girls returning from last year, they played very well. J.V. BASKETBALL

Basketball is one sport which takes almost a lifetime to prepare one's self to gain the skills necessary for the dynamics of the game. This sport must have a dedicated coach who is willing to bring all the players together to make the team as strong as possible. Our 1980-81 J.V. Basketball team had these qualities because Head Coach Joel Mauer and assistant Coach Pat Lowry prepared our hardworking and ambitious team by giving them many hours of practice. Coach Lowry was quoted as saying, "This team has great depth and shows much promise in being one of the finest teams we have had in several years." The Braves started the season, in the Metro Jamboree, by destroying Colonial by a 20 point margin. As the season progressed, they defeated Sanford by a 10 point margin. The team was led by the scoring of Linon Grace, and the playmaking and overall hustle of Gerald White and Craig Mateer. Although there were a few narrow defeats the Braves determination and spirit never faltered. The season continued to progress with more victories, more defeats, and countless cheers, all of which combined to close out the 1980-81 season of basketball. A sincere thanks to all the boys and coaches for such an exciting season.

Coach Harmon said, "It has been a privilege and pleasure to work with these young ladies this year."

PIN MACHINES

Wrestling is possibly the most demanding of all sports in which BOONE competes. Wrestlers not only have to condition their bodies but also their minds. Because there is a lot of mental strain placed on a wrestler, he must "psych" himself up before a match. Many times a wrestler's performance can be affected by his frame of mind.

This year's wrestlers at Boone have shown great ability and have put forth much effort. Seniors, Richard Basila and Pete Dykman, have excellent records and both of them are Metro contenders. The Wrestling team had a pretty good year, although they didn't win the Metro title. The members of the team continued to show that BRAVE fighting spirit. Many thanks to Coach Chesley and good luck to next year's returning Juniors and Sophomores.

Once again the swimming team outranked its rivals. In preparing for their winning season, the swim team spent many hours in strenuous practices. The rigorous training schedule included afternoon practices every day and workouts with weights. Under the leadership of coach Carlson, the team improved their timing, strokes, and stamina, thus finishing as one of the metro's top squads. Once again the Brave swimmers demonstrated their talent.

TO CATCH THE WIND

With the finish looming just yards ahead, and the opponents only inches behind, it is then that endurance and determination become important to a runner. Forcing the last bit of energy into his pounding legs he bursts through the tape to victory. This year's track team at BOONE had that little extra endurance and added determination needed. Whether they were running, jumping, or throwing the team gave 110% in all their meets. Much thanks to Coach McKenzie for his interest and support in the team.

HOW 'BOUT THEM EARS!?!

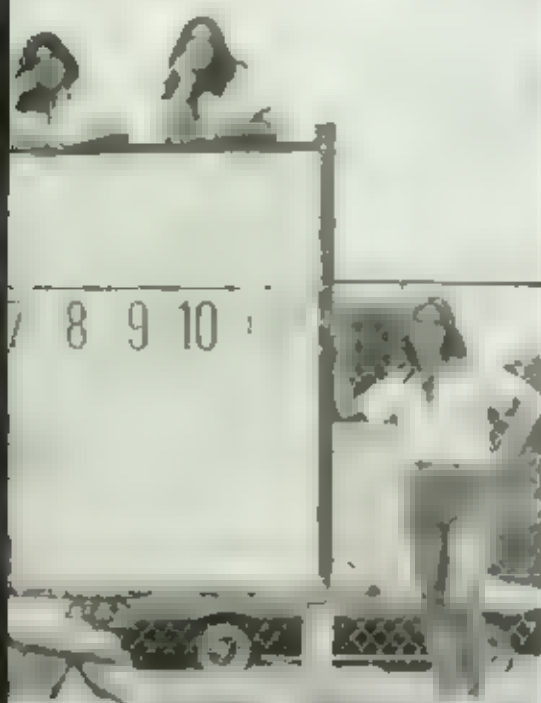

The Varsity Baseball team opened the 1981 season with great enthusiasm and determination. The well known saying "How 'bout them ears" truly expressed the team's outstanding dedication and school spirit.

A good nucleus of returning players, plus addition of promising newcomers made for a winning season. Catchers, Karkovice and Lamkin, returned to give stability behind the plate. The Infield showed lots of spark with first basemen Woodard and Browning and second basemen Priest and Howard. Seniors Ryder, McCorkle and Skaggs had a big year on the mound. Pleicones and Simmons looked good at shortstop, while Lamkin and Barden manned third base. Knipe, Carpenter, Lumbert and Hepburn covered the outfield with strong arms and speed. Under the guidance of coach Hart and Coach Snell, the team moved successfully through the schedule. With a strong defense, steady pitching and hitting, plus hustle and determination, the Braves proved once again that they were the best.

Gifted by an abundance of talents, both the girls and boys tennis teams continued to carry on their winning style. It took skill and perseverance to perform as they did, but the Braves knew that hard practice results in a winning season. LIGHTS, CAMERA, ACTION

It is a cold December evening. The audience is assembled to experience an exciting performance of three one act plays. "Quiet on the set," bellows the director. The lights dim, a hush falls over the crowd, the curtain rises. We all watched anxiously the BOONE PLAYERS presentation of "The Clocks", "Four little

Words," and "Lifeguards." After the Spring production of "The Curious Savage," the final curtain fell on an ecstatic audience. They were last "SCENE" fighting to free themselves from the mass of blue plastic. In order to "CATCH" the opening curtain of the next season.

Hampton, M. Hurring, R. McHenry, K. Roberts, R. Sommons, V. Stricker, T. Thompson, D. Upperco, and P. Wroble, did a great job

In answer to your problem, forget it. The year is almost over anyways, and the seniors will read anything and love it."

SPORTS ACTION —

It's unbelievable! There are around five hundred students lined up at the end of the hall, RIIING! The bell has rung, starting the stampede. Oh wow, it's so exciting! Now wait, wait here they come. Will they make it over the first hurdle? Yes! They made it! They cleared "Graduation" with a single bound, and now it's all out the rest of the way. Who will win? Find out at BOONE's high school reunion in 2001

And that's the way it is, BOONE HIGH, 1981

FRONT PAGE NEWS —

Flash, just in from the lunch room. "We have been experimenting with a new Homo sapieacide. It has undergone endless testing on numerous human specimens every day. It can be formed into any shape or size, and with a little effort, can be flavored to taste like: bland pizza, chicken, meatloaf, hamburgers, and breaded fish. As to this date, not a single human specimen has been terribly affected, but we are determined to succeed, some day."

Seriously, we love all you lunch ladies, or should we say "Scientists?"

HI-LIGHTS HEARTBREAKS —

DEAR BLABBY: We didn't know how to talk to anyone else on such a subject, so as a last, drastic attempt to solve our problem, we've stooped to the level of writing you.

Here on the BOONE TERRITORY, for the past year, we have been producing great newspapers once per month, and now, oh gag, we've run out of ideas. Sob, sigh, what are we going to do?!!

signed, DESPERATE
DEAR DESPERATE: "First of all, I think your paper is fantastic. Your sponsor, Mrs. Bvers, your editor, Liz Poole, and the whole staff: K. Branyon, B. Breazel, S. Brown, T. Burrowes, T. Crawford, C. Crockett, S. Fennimore, C

YEE—Have you ever been to an FCA meeting? It's a night full of singing, praise, bible study and fellowship. Guess what? FCA's homecoming float won first prize! YEE-HAW!!!

Political Action

We, the Political Action Club here on the RESERVATION, have done our best in promoting awareness of political law and political activities. Although we are composed up of all the political parties we worked well together in the mock election held in November. All the ballots were counted and reported to the BHS headquarters. We did our best in promoting party candidates and party platforms by working within the state and local affiliations. Once again we have proved ourselves as a worthy and successful club. "Let's hear it for the elephants and the donkeys!"

CREATIVE PUB.

Another facet of talent found here on the BRAVE TERRITORY is the Creative Publications Staff. Besides publishing a magazine of literary works for the BRAVES, they enter many contests during the year. This new club works specifically in poetry, essays, and short stories. The staff plans to carry out this TRADITION of great literary works for many years to come

ART CLUB

The Boon Art Club is composed of many hard working and promising young artists, who are truly dedicated to the arts. Without them, our lives would be very colorless indeed. As the Art Club grows and prospers, the thought often arises, just who is the head of this unique students? Let it be said by saying our thanks to Miss Barbara Smith for bringing them and allowing the club to do something with only the minimal of questions asked. One of the clubs achievements this year was the completion of the mascots hanging in the gym. Their job certainly wasn't "E"-2.

Z CLUB

Z Club has kept up its hard work by spending many hours helping in school and community projects. Z Club members were seen at car washes, bake sales, candy sales and other fund raising events. The spirit of helping has shown throughout the club's members which was guided by loyal officers. The year was truly a success and the club looks forward to working together next year.

Sponsored by the YMCA, Tri Hi Y sought to serve our BRAVE TERRITORY by always giving their best. Funds were raised for community charities through car washes and candy sales, soup labels were collected for the elementary schools, a Christmas party was given at Lucerne Hospital for the quadriplegic patients and help was given to the blind throughout the year. Tri Hi Y members are of service to Beta House, Russell House, Sea Grove and Great Oaks. Youth Ledge was the legislative branch in which Tri Hi Y members participated and went to Tallahassee for a busy weekend of legislating. This year's school donation was mirrors in all bathrooms without them. Induction of little sisters by club big sisters was begun this year, and the traditions of socials as well as Valentine Day carnations were continued. The Tri Hi Y surely is a worthwhile club here on the RESERVATION.

Don't ask me, I just work here

CIVINETTES

This year the Civinettes were very busy with many projects and activities around and on the RESERVATION. A few of these activities were the help given in the Special Olympics and also at the Bankner Elementary School carnival. On the RESERVATION Civinettes were found helping out with the chore of cleaning the football field after a game. The Civitan International motto is "Civitan — #1 in 81!"

This dastardly mob of awesome villains sprang out from nowhere this year and held us, the CLUB SECTION at gun point! We trembled, turned white, broke out into a cold sweat, "Mrs. Troy" What do we do?" Their reputation is so terrible. They stocked us into a corner, and glared "What do you want with us?" "Just a page in your section, shweet heart." "Sure anything." "Say, that's a pretty good Cagney." "That's Bogart, shweet heart, Bogart." "Oh, sorry."

ALL KEYPED UP

As we unlock another door here on the BRAVE RESERVATION we find another great service club! Yes we're talking about the 'KEY CLUB' This service club is affiliated with Kiwanis and aims toward developing initiative leadership ability and good citizenship throughout the RESERVATION and surrounding TERRITORIES. With guys and girls working together service projects are a lot of fun. Members raised money for the Association of Retarded Citizens by sponsoring a car wash and a bowlingathon in the fall, spring followed with many other projects, and the year closed in May with their annual convention at Daytona Beach.

The Boone French Club has had another fun and exciting year. They started off by taking first place on their Homecoming float for the second year in a row. Throughout the year there were meetings filled with good food and fun and numerous other activities including a Foreign Language Banquet with the other language clubs here on the RESERVATION. Together with their sponsor, Mr. Groover, they made it a year to remember

This, being only the second year for a Spanish Club here on the RESERVATION, now known as the LOS BRAVOS CLUB, did not hinder its membership at all. (Obviously) The club consists of both first and second year spanish students who did not hesitate to participate in any of the several activities done by the LOS BRAVOS CLUB. Members organized several parties and get-togethers throughout the year. This sure has been an excellent year for the LOS BRAVOS CLUB!

AH, MUCHO ESPAÑOL!

Pan Am is the Spanish Honor Society here on the RESERVATION. It is made up of students in third, fourth and fifth year Spanish. It is also made up of the second year spanish students with an "A" average

One of the major activities was the teaching of spanish to Lake Como and Blanker Elementary students. This was a brand new idea this year and many of the Pan Am members participated in the teaching of spanish words, phrases, and grammar to these first through sixth grade students

Pan Am was also very helpful to teachers with the Cuban Refugees in their classes. Members of the club stayed with a class for one period a day and helped translate for the students.

Pan Am is a very active club here on the RESERVATION and is definitely made up of a fine group of people. OFFICERS: S. Betros, S. Simko, L. Azar, L. Strange, Miss Speights

Usually our conception of a group of Latin speaking Romans, is a bunch of fat, servant-fed people wearing someone's old sheets draped on their bodies. Also, we might picture fountains flowing with Baccus' juice, golden goblets, and marble columned temples. But here on the BOONE RESERVATION we do it with class, as you can see.

Under the leadership of Keith "Ceaser" Dyer and Mrs. Egolf, the "Save our Roman heritage" club was very active. Car wash, homecoming float, Thanksgiving turkey offerings, District Forum (which they hosted), furnished programs and held the Annual Latin Club Banquet were just a few of the projects they took upon themselves this year.

It was a year that would have made Augustus proud!

German Club

Look up at the roof, it's a roach, a paper wad, no, it's a German Club gummi bear! This year the German Club didn't sell the cute little things but they did sell (to our tummy's delight) imported Toblerones!!

Fa la la la, 'Tis the season for singing, history and culture of the German Christmas was the mood of the annual Christmas Banquet — the from fa la la to the Bunny hop, they pounced into the Spring Banquet. Agards, my gosh, all these people do is party! How do I join?

On the more serious side the "brains" were inducted into the German Honor Society with a cumulative average of 3.0 for a two year span. Welcome to go German Club! So prop up your schuhe and let the sour kraut roll. OFFICERS: Row 1: L. Flinchbaugh, M. Hendryx, M. Weise. Row 2: C. Ech, R. Harrison.

IF THEY COULD

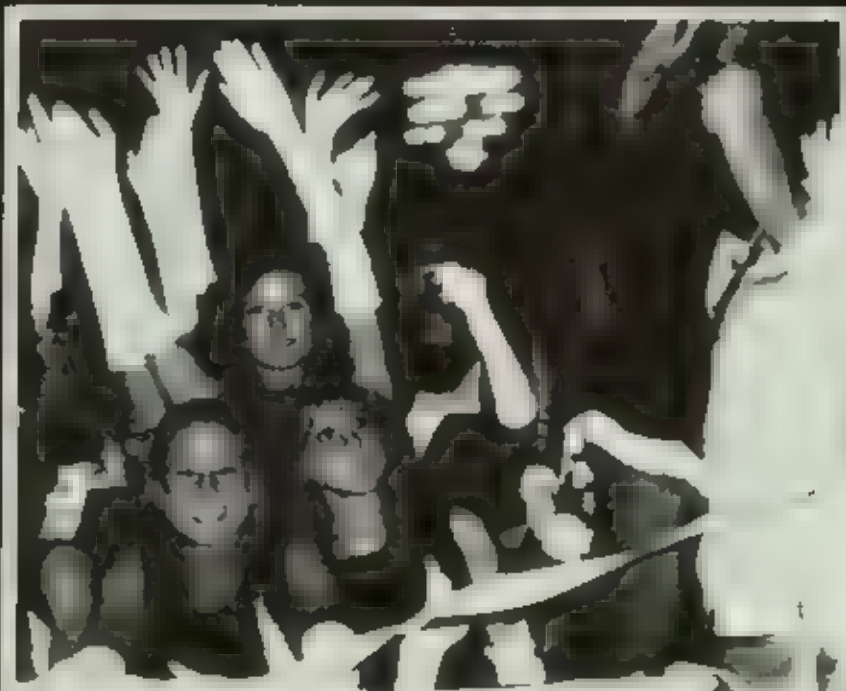

Who has great legs (?), forty-six pounds of hair and wears yards of satin and sequins? Nooooo, I'm afraid it's not Dolly Parton (unfortunately). But if you're still having trouble guessing who it is, here are a few more hints: First, take a look at the picture. Second, they sold BOONE Pep Ribbons, and Third, they dance with precision that only hours of practice can produce. Now do you know who they are? If you said "no," then you must be a sophomoreic turkey. If you said "yes," then you must have said the BRAVETTES.

"WE GOT SPIRIT, YES WE DO. WE GOT SPIRIT HOW 'BOUT YOU?" ... good question. The TRIBE seemed to be a bit unenthused at times this year, but the 80-81 Varsity and JV "RAH RAH SQUAW SQUAD" certainly were not to blame. They always gave it their "GO BIG ORANGE" attitude and were endlessly "FIRED UP"

"GOOO OOOO OOOO OOOO OOO BRA AAAA AAAA AVES. GOOO OOO OOO OOO OOO BRA AAAA AAAA AVES. ... The pep squads and teams with along with special spirit cards and sweet chowables, like the one Amy and Melinda are holding below. The "R.R.S.S." worked very hard this year with programs, pep rallies, games, and practice, whew, and yet somehow managed to be able to say, "WE'VE STILL GOT THE SPIRIT NOW. TWO TIMES. SAY UH UH, HEY HEY!"

Wrestlerettes

This great group of girls here on the RESERVATION (the Wrestlerettes that is) were a real big help to our Wrestling Braves! The girls got off to a great start by selling spookems for the wrestlers. Besides taking tickets, scoring, giving screams of encouragement and providing oranges for the guys after each match, the girls made spirit posters which were seen throughout the school. Thanks, girls, for all your hard work and dedication!

Senior Quartet

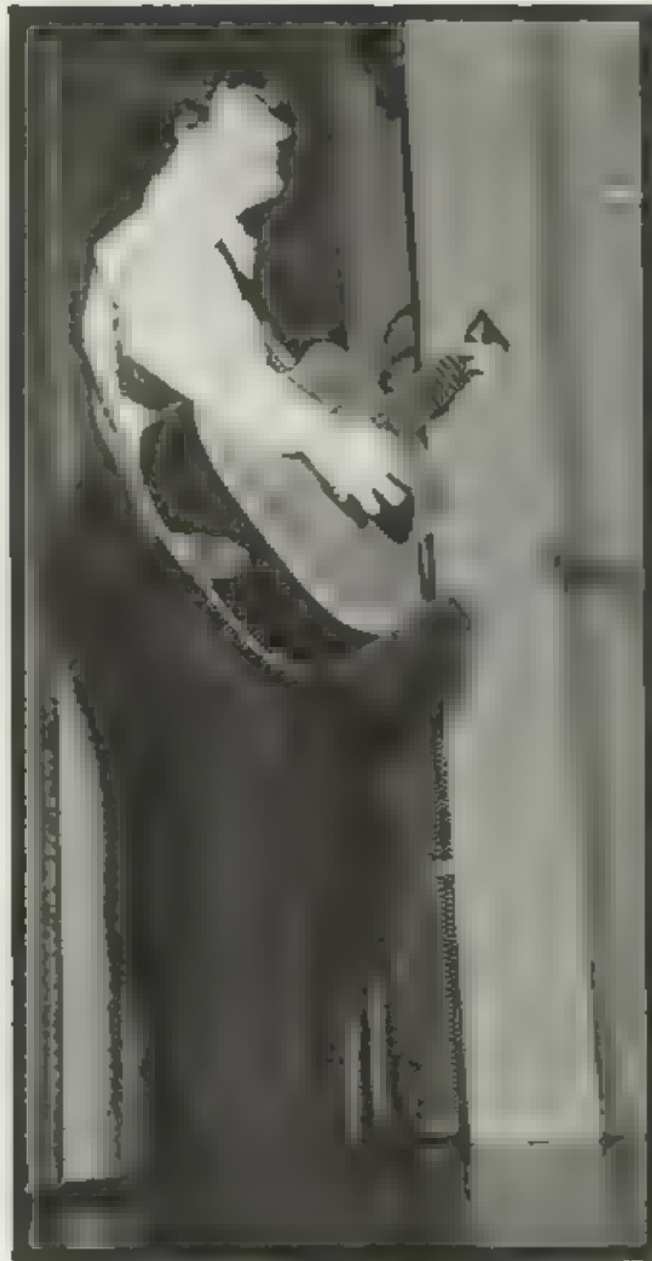

Scotty Duggins, Dee Dee Darden, Jolanta Smith and James Kernan make up the BRAVES' SENIOR QUARTET.

These students have been chosen out of the chorus because of their achievement in and dedication to the vocal music department. They have sung at various functions throughout the past three years and plan to continue their education in the music field.

Jolanta loves to sing.

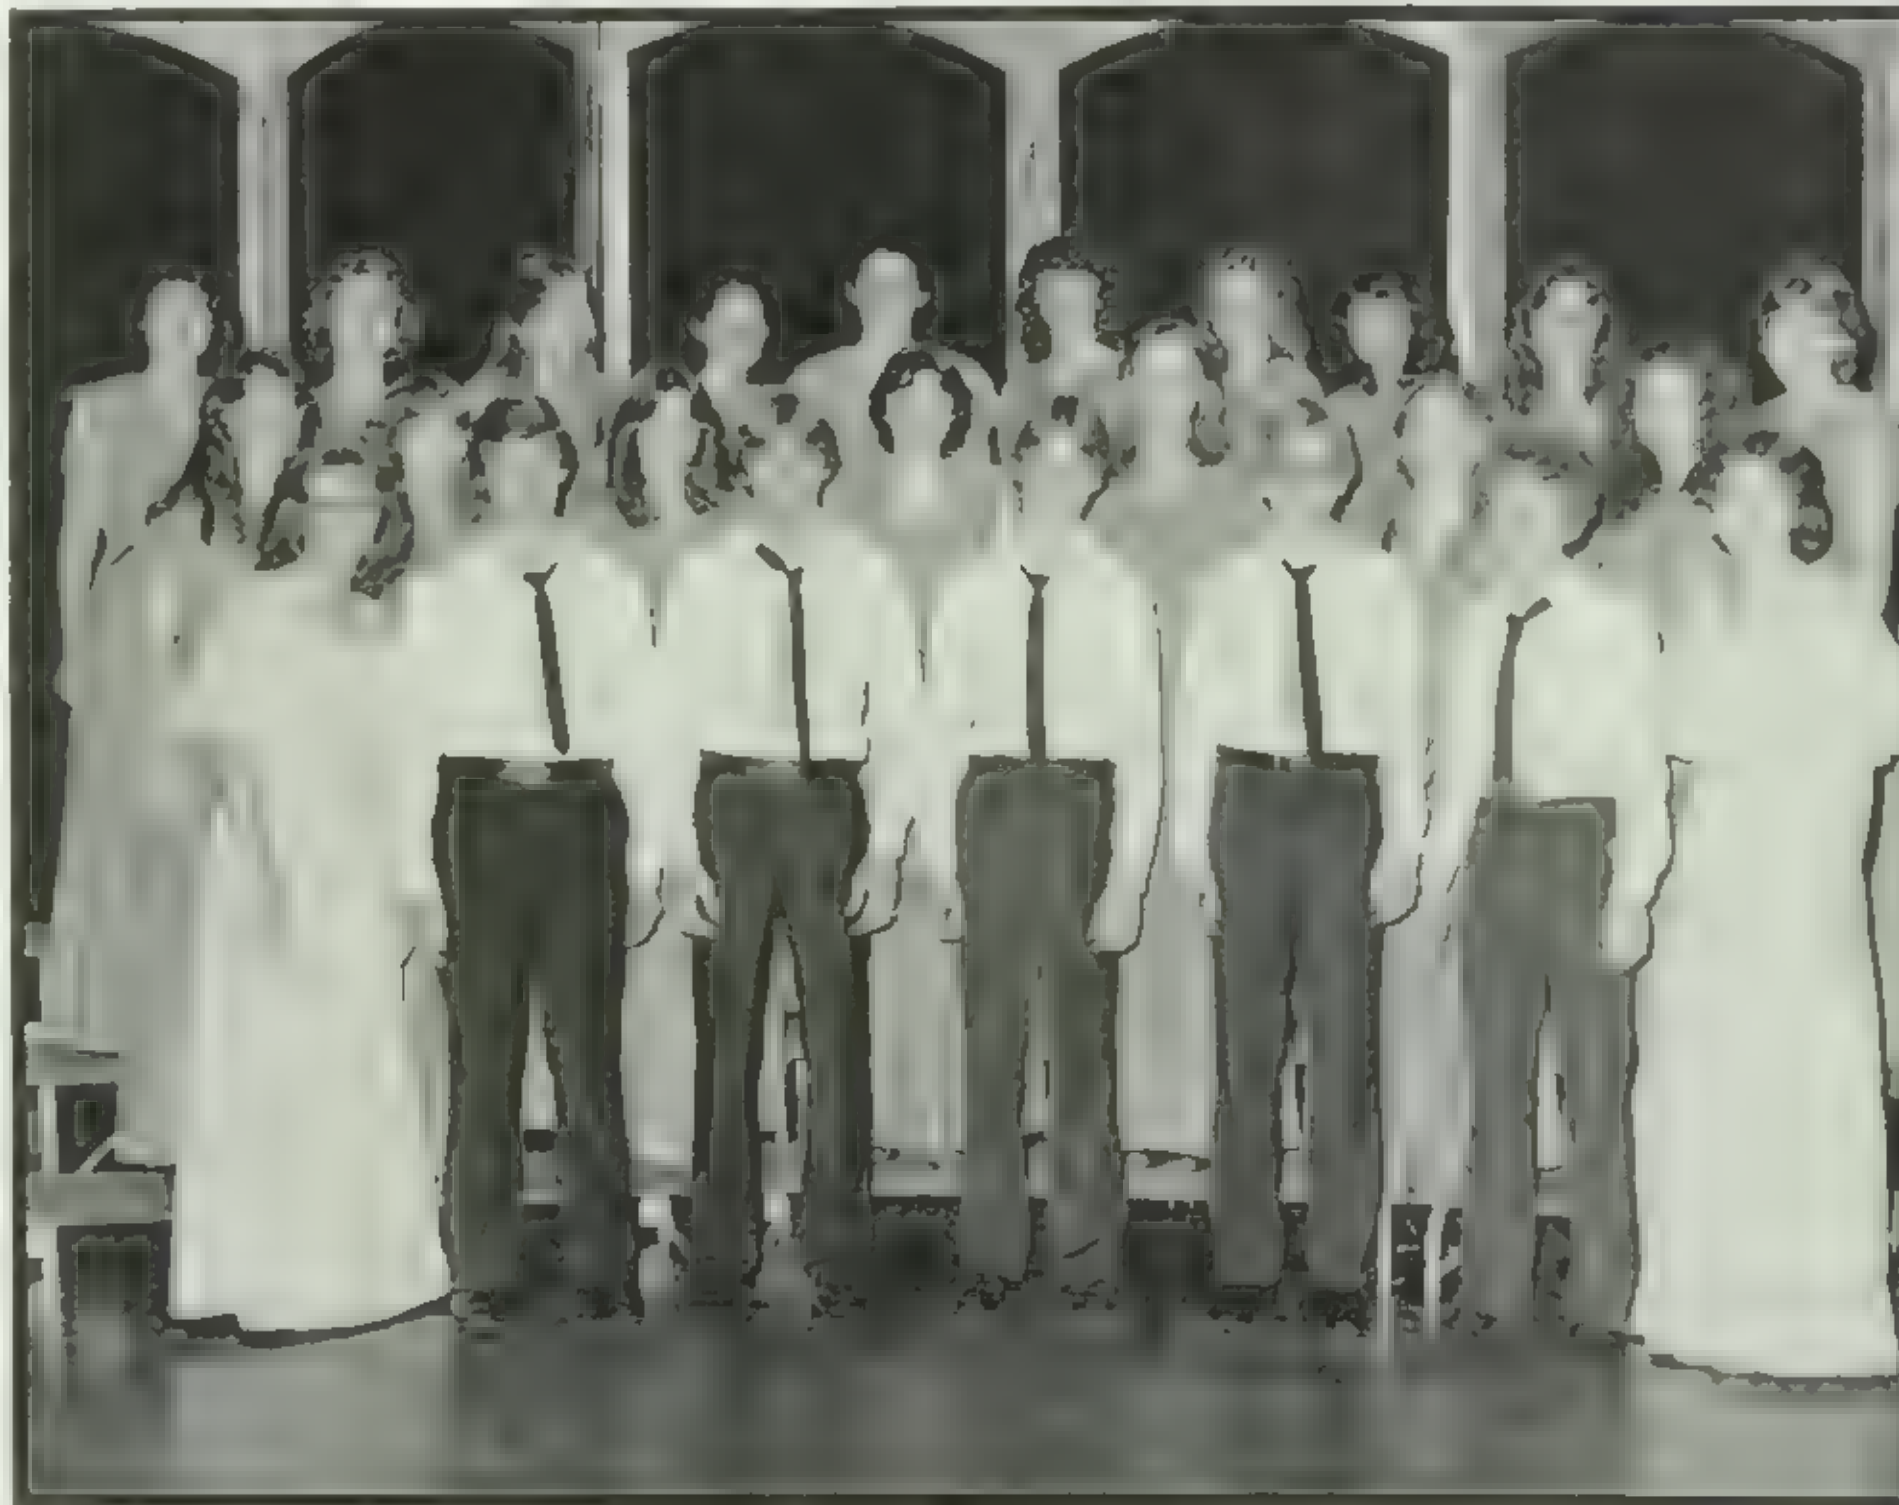

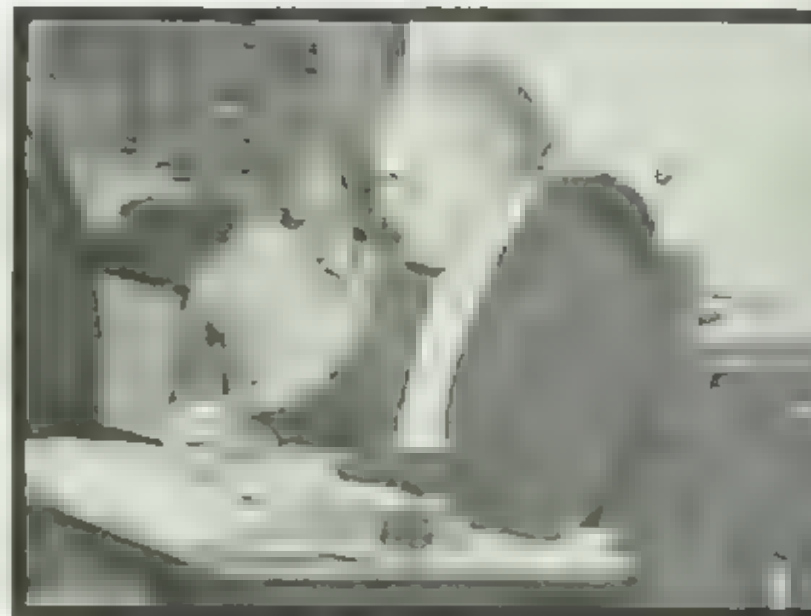

Scotty sings and plays for us.

Dee Dee sings with feeling.

Singing Braves

Composed of the best of Boone's singers is the Contemporary Ensemble. During the 1980-81 season, the Ensemble performed Winter and Spring concerts here on the RESERVATION, were one of the few Florida High School's represented at Disney's Grand Opening of "Thunder Mountain", and sang in the Candlelight Processional Program at Disney's annual Christmas celebration where Boone Choruses have sung every year for the last ten years. The Contemporary Ensemble also participated in Churches and other schools during the year as a public service. Outside of being in the Ensemble many of these singers plan to continue their music education and for those who do not acquire additional training, they will probably use their voices in churches and leisure activities for the rest of their lives. The Ensemble is under the direction of Mr. Kraemer, who is shown at the right.

The three years Navy Junior Reserve Officers Training Corps (NJROTC) program helps cadets to become better citizens through learning more about our country, our Navy, and themselves. Subjects such as Navy History, Government, Seamanship, Navigation, Oceanography, and Meteorology serve as focal points for the cadet to develop an understanding of naval science. While accomplishing these objectives the cadets are also taught how to discipline themselves in order to learn even more. Such traits as self reliance, orderliness, integrity, pride, patriotism, and respect for authority, serve as character building goals for this course. Successful completion of the NJROTC program can provide the student with special benefits including nomination for scholarships at the Naval Academy and over 50 other major universities throughout the country.

The National Honor Society is an honorary organization here on the RESERVATION. Honor Society is quite different from our service and special interests clubs and so are the members of it. That is, each member has exhibited outstanding qualities of Scholarship, Leadership, Service, and Character. Walking through the halls of our TEE-PEE you may have seen these people and recognized their unique qualities. They hold BRAVE leadership positions, they have enduring good grades, they also have served our school well with their loyal BRAVE character.

Dear Mom,
 Tonight a very
 unique thing happened.
 Someone decorated
 our house. I heard
 that Boone had some
 INTERRITORIAL DECORATORS
 but I never knew
 what it meant. The
 neighbors really seem-
 ed to like it alot
 because when I came
 home they were
 standing out front
 admiring the new
 kinds of pretty.
 Well mom,
 Gotta Go...
 Love,
 Wilber

This year, unfortunately, CIVITAN got off to a late start, due to the fact that their sponsor transferred to Colonial. Due to complications, there was no CIVITAN club picture taken, so only the officers are pictured: Starting at top, left and going clockwise, Mike Tahaney - President, David Voss - Vice-President, Scott Nelson - Treasurer, and Ed Brakmann - Secretary

Their biggest project was the Spring Easter Cookout that they held for a local parental home, with the help of their female counterparts the CIVINETTES. CIVITAN's outstanding member this year was Scott Pitts. Considering everything, it was a year CIVITAN will never forget!

This group of sincerely dedicated students set this RESERVATION "on fire" this year by such activities as tutoring other students in their various studies, preparing and acquiring new blinds for our classrooms to keep the sun out of our eyes, selling BOONE BRAVE license tags for our cars so people will recognize a true BRAVE on or off our TERRITORY. The true purpose that keeps this group burning is that they promote better scholastic standards, develop leadership, and to be of service to keep the torch burning all year around

LEGEND STAFF

Deadlines, deadlines, deadlines and more deadlines! Who's responsible for meeting these deadlines in order to produce such a great book? You're absolutely right! The one and only LEGEND STAFF here on the RESERVATION! The staff is made up of twenty-three hard working BRAVES who work diligently to meet each deadline, be imaginative and keep everything top secret. Many long hours are put into the making of the Legend, we hope you enjoy reading and looking at it. (We even hope you like it when you are old and gray — shh!!)

The mighty SENIOR Braves of '81 were led by the dynamic five-some of Jerry Ryder (President), Dana Smith (Vice President), Candy Gamble and Karen Rogers (Secretary), and Mrs. Sarah Kittrell (Sponsor).

The SENIOR Council hosted many activities on and off the BRAVE RESERVATION such as: the Homecoming Parade, the Blood Drive, Field Day, SENIOR Breakfast, SENIOR Sidewalk, and the Graduation and Baccalaureate Services.

They also sold balloons and decorated faces with warpaint to boost spirit at the football games. SENIOR T-shirts were sold to show the superiority of the SENIOR class. They proved the truth of their slogan "We're the best class under the sun, the SENIOR BRAVES of '81!"

THE SENIOR

We knew, as in almost everything, that our junior high years wouldn't last forever, that we would sometime be required to report to another school. Soon, junior high did come to a close.

The Summer had approached and passed, and the change of color in the leaves was evidence that Autumn was on its way. So this, the procession of the seasons, goes on and on and the following September we reported to William R. Boone High School.

Circling overhead, in the all-encompassing starlit sky, were the Conway Falcons, who followed the Cherokee Indians, open air out of doors, as they journeyed through the shadows of the forest toward the Boone RESERVATION. Upon their trek, in the sun and the rain, they were joined by the Jackson Raiders, the Memorial Soldiers and the Howard Rangers, each claiming to the other that their band was the best. However, it was not long before all took a new pledge—that of being a BRAVE. We each became a part of the BRAVE's LEGEND. It was not traveling there that was difficult, but the rugged mountains and cliffs we had to surmount once we became BRAVES. It always seemed that at the top of one peak there was another higher peak to be conquered. But we pushed on and on, and now we've reached our goal.

Now it is time for the memories of friendships made, problems overcome, the happy times, the sad times, which were put aside during our training as BRAVES, to be pulled out and reflected upon. Time went by so fast these last three years, that it's hard to recall and sometimes it feels as if we grew up too quickly.

First we had to adjust to a new school—bigger and more complex. We had to make new friends, get accustomed to new teachers and become familiar with a new administration. The LEGEND began in 1952, when plans were made to divide Orlando High School (presently Howard Junior High) into two separate schools: Edgewater and South Orlando High. When the sixty-one year old OHS principal William Renck Boone died from a heart attack on the final day of school, the students felt naming the new school after him to be a fitting memorial. William R. Boone was born in Atlanta, Illinois on January 20, 1891. He received his B.A. from the University of Oregon and his M.A. from Stetson University. He was named principal in 1932. He taught for 35 years and never missed a day, until the final day at OHS.

Now, several principals later, Mr. Henry J. Dornney continues the tradition of Boone High School. As new and as unfamiliar with the school as we, he welcomed us to the RESERVATION for the 1978-79 school year.

Each morning we were greeted by the "morning announcements." Gang, Cathy Fuller and Kitty Henry, Mr. Rogers and Mr. Bill, impersonations echoed in each room as we also listened to jingle songs, tunes from Gilligan's Island, Beverly Hills, Brady Bunch, Sea World and Burger King. "It's a beautiful day in the neighborhood."

That year Eric Lauderdale was our Student Council President, while Kitty Henry, our songbird, was Senior Class President. The Sophomore Class election resulted in Class President Steve Shackelford, Vice President Karen Rogers, Secretary Lon Hicks and Treasurer Kelly Carr. The Sophomores elected to the house were Ann Gossett, James Gregory, Ronnie Lampkin and Joel Skaggs.

Naturally, Boone has always had a traditional rivalry with Edgewater, the other half of Orlando High School. The war drum beats constantly on the school day of the Boone vs Edgewater game. But a new rival, Colonial High School, has since grown into a bigger one. Our orange and black BRAVE's head, which watched upon us each day from above the Gymnasium was sadly taken by the Grenadiers, and charred to coals. This left only an unsightly black spot above the gym.

The students of Boone High, interested in contributing to the mature growth of the student body, requested a Student Advisory Board. To protest the lunchroom offering called the "Brave's Special," the students boycotted the cafeteria. The result? Who remembers? But, it sure made it an interesting day!

In sports during the 1978-79 year, Coach Davis retired from baseball after being the coach for Boone since 1972. The Boosters Club assured us and the swim team of our swimming pool at some undetermined time in the future. The blue-eyed blonde Lisa Oetjen, who was headlined in the "H-Lights," was the number one double player (partner Kate Hall) and the number six singles player on Boone's Varsity Ladies Tennis Team. Coach Whittington became the new head coach for football, giving us a victorious 13-7 Homecoming game against Colonial. Diana Kimbro was crowned Queen and Todd Carr, King. Our Class Homecoming Court was Chris Howard and Amy Lake, Richard Spence and Kelly Carr.

Off of the RESERVATION, Movies such as "Annie Hall," "Grease", Olivia Newton John, John Travolta, "Saturday Night Fever", "Superman" the movie, and "Star Wars" (C-3PO, R2-D2, Mark Hamill) flashed around the TERRITORY in area theatres. Among the new albums were Styx' "Pieces of Eight", Boston's "Don't Look Back" and Pink Floyd's "Dark Side of the Moon". Television lost The Duke, John Wayne, but gained Alex Haley and his "Roots, Part II: 'I found you, Kunta Kinte'."

While in Orange County, pros and cons of Casino gambling were placed before the board. Across the state, Governor Graham's name was beginning to be heard. James Earl "Jimmy" Carter, the 39th President of the United States, stepped in to make a "framework for peace" between warring countries Egypt (President Sadat) and the State of Israel (Prime Minister Begin). The "Great Peacemakers' frameworks were destined to fail because of Saudi Arabia and Jordan's concerns about critical oil sites.

Autumn froze to Winter, Winter blossomed into Spring, Spring into Summer, and again we reported to school for the 1979-80 year as the leaves dropped from the trees.

The Senior Class of '80 elected Shaun McGuire, President, Mark Bebermeyer, Vice President and Ben Shoemaker, Student Council President. Remember when Ben pulled down his drawers at a Pep Rally and flashed a sign that said "SPIRIT"—the only

STORY

way he could explain it! Our Class officers were President Dana Smith Vice President James Gregory Secretary Karen Rogers and Treasurer Ann Gossett Kelly Carr and Chns Howard Steve Murray and Karen Rogers represented us as Juniors in the Homecoming Court.

1980 was probably the most dramatic of all with sudden changes in our world that still effect us. Gas went up to more than a dollar a gallon although most people thought that they would never see the day that gas prices became that outrageous. Little did we know that problems with the OPEC Nations would effect us even more.

Iran rushed the U.S. Embassy in Tehran taking fifty two Americans hostage. With this news headlined in every newspaper around the world, America's reputation went from "What a bully" to "how gullible". Russia seeing the fix we were in moved thousands of troops into the borders of Afghanistan. So what did we do to counteract this act of aggression? We boycotted the Summer Olympics in Moscow, thereby showing the world we will not tolerate aggression.

Test tube babies became a reality when the first test tube baby was born. Meanwhile in the state of Washington, a 300 mile radius around Mount St. Helen was affected after the top exploded, spreading molten lava in the immediate vicinity distributing silicone dust as far as the mid western states. Ten to eleven feet of volcanic ash settled over the southern portion of Washington, destroying a once flourishing forest. Flash floods occurred, pushing fast currents of logs down the valley, taking out houses and bridges in its wake. Search parties attempting to rescue long time resident, Harry Truman (not ex president) and his dogs later found him suffocated.

In entertainment, the following movies were the talk of the theatres "Muppet Movie", "Rocky", "Amityville Horror", "Halloween", "The Empire Strikes Back" (Darth Vader), "The Jerk", "Death Ship" and "Apocalypse Now". Television showed a Battlestar Galactica series for those interested in the fictional future and the beyond.

Boone High School was evaluated by the Southern Association of Colleges and Schools to determine if its academic program was maintaining standards required for accreditation. This is a ten year occurrence. The visiting educators found no major deficiencies however, recommendations were made to improve the heat and air conditioning, parking facilities and teacher class loads. Prior to the visit, the school buildings were painted olive and bleached yellow outside and ice blue with orange and white trim inside.

In sports, our Varsity Soccer team made second runner up and our Varsity Basketball team became all metro 4A Champs. In the traditional Powder Puff game, our class, the junior girls beat the senior girls Hurray team!

Finally we reached the 1980-81 school year - the last year before that irreversible step into the rough world. Now we're SENIORS. This status included all the privileges such as Field Day, Skip Day, our own cafeteria and Senior Sidewalk. However with the SENIOR year came SAT scores, college applications and some very tough decisions to make.

The November Presidential election started out the year. Carter Mondale went to Turkey Lake Park for a Bar-b-que while Reagan Bush spoke at Sea World. You know the results as Reagan has long been inaugurated and will be with us for another three years. The votes in favor of Reagan were so numerous that Carter conceded the election before all the voters in the western states could cast their ballots. Anderson Baker and Ted Kennedy had earlier stepped out of the race. At home Paula Hawkins beat Bill Gunter in the race for Senator.

Richard Kripe was elected our SENIOR Class President with Vice President Alan Ross. Treasurer Dana Smith Secretaries Karen Rogers and Candy Gamble and Student Council President Frank Cawthon Chns Howard and Kelly Carr were crowned King and Queen at the Homecoming festivities.

In entertainment, the following movies were issued "The Shining", "Star Crazy" (Gene Wilder and Richard Pryor), "Motel Hell", "Phantasm", "Fear No Evil", "Texas Chainsaw Massacre" and more. The record industry lost ex Beatle John Lennon who was shot by a maniac outside of his townhouse in New York City. In television, "Dallas" became a popular series with the question flourishing, "Who shot J.R.?"

Congress reinstated the Selective Service, requiring young men between the ages of 18 to 21 to register at the local post offices. The drinking age was raised to 19 in Florida and on January 20, 1981, both the 40th President Ronald Wilson Reagan was inaugurated and the Iranian hostages freed after 444 days in captivity.

It's been a wonderful three years not that we're leaving and saying good bye. It's time to break away from home, go to college or get a job. It's not like saying good bye forever, because those memories that we've gathered these last three years will go with us forever. No one can take that away. We will always have that chance to relax and look back upon a good past.

Of course, no one knows what the future holds for us, for no one is wise enough to foresee. Each of us will continue in life in pursuit of happiness, searching for dreams and goals. Hopefully through time, patience and hard work, we all will reach whatever we set out to do. We will always have problems in this world, there may not be a complete fool proof way to solve them. We still wait in gas lines, economic recession may get worse and interest rates may go higher. World peace, world famine, drought, disease and nuclear proliferation are still problems to be tackled. We're the next generation to wrestle with these problems. We'll become the citizens of the nation and leaders of the world. We'll decide our own fate.

But as the years pass, we'll look back upon these years at Boone as some of the greatest years in our lives, full of challenges, friends, beauty and love. We're the BEST class under the sun, We're the class of 1981.

The Junior Class, under the sponsorship of Mrs. Barry, is responsible for much of Boone's student activities. In addition, they are concerned with the task of preparing plans for the Junior-Senior Prom. They hope to make this one of the most memorable events for the Seniors.

With Ron Knipe in the Presidency and Phil Wrobel as Vice-President, there is a strong effort to continue the plans as the Seniors of 1982. Betsy Houseman as Secretary and Raymond Harrison as Treasurer, also contribute their efforts toward making the graduating class of '82 the best Boone history.

Jim Henry, Pastor

Rich Blythe, Youth Minister

In keeping with our desire to know God's will for our lives and follow it, we are planning our Youth Programs on a basic concept. Our objective is to be motivated to come to a deeper awareness of Discipleship, Evangelism, Edification, and Prayer. This is all surrounded with fun and recreation, as we seek to enjoy the Christian Walk. Plan to be a part of this and join us as we Reach-out to our world.

Youth minister, Rick Blythe spends time talking one on one with Boone student Rick Lassiter

PERSONAL PATRONS

Congrats Betsy and Carl and Staff on a GREAT yearbook! It was a fun year!! 9541! Love, Sue and Canice Troy.

Martha Blumberg would like to wish the Senior Braves of '81 the very best of luck in the years to come.

To our three wonderful Senior Majorettes: Nancy, Lynda and Tamara: We love ya'll and wish ya the best of luck in the future. REMEMBER - "The Corp that prays together, stays together." Love ya, Susan, Cherry, Trina, Cecilia, and Betty.

Good Luck in '81 Boone Braves. The Padens.

Neil, Lee, Kris and Karen wishing the Boone Braves luck and success in '81.

Fred and Effie wish the Class of '81 good luck. GO BRAVES.

Ed, Sue, Glenn and Holly. Best wishes Class of '82.

Good Luck to the Class of '81 - God Bless you - Beverly Seymour.

The Senior Class of '81 - #1. GO BRAVES. Marilou Hungerford.

GO BRAVES. We're #1 and so is the Class of '82. Verena Souto.

The twirling, the spirit, the work, the fun; was the joy of being Majorettes in 1981. Good Luck Majorettes in 1981. Love, Nancy, Tamara, and Lynda.

Congratulations ... Seniors of '81. God Bless. Dr. and Mrs. James Henry.

Class of '81 ... #1. Betsy Henry.

Sandi Fenimore - Class of '81.

"Come before the Lord with happy songs". Psalm 100. "Thanks for the memories" to the Senior Class and Senior vocal ensemble. Jolanta and Dee Dee.

Shalom and Mazel Tov. Mr. and Mrs. Zarek.

Dear FBC 0 Seniors: Thanks for your friendship and a chance to have input into your lives. Always seek "the Pursuit of Holiness" and if we concentrate on living an obedient, holy life, we will certainly experience the joy of victory over sin. Your teammate in Christ, Rick Blythe 1 Cor. 9.24.

"Trust in the Lord with all thine heart and lean not unto your own understanding. In all thy ways acknowledge Him, and He shall direct thy paths. Proverbs 3:5, 6 ... The Hungerford Family.

It may cost alot to have your name in lights, but it only cost \$5.00 to have your name in black and white.

The building shown in the photograph is the
 Junior High School building. It is a two-story
 building with a portico supported by columns.
 The building is located on the corner of
 the street and the highway.

JUNIOR HIGH

Our final steps from the RESERVATION take place at Sea World's Atlantis Theatre. This is the last gathering place for the SENIOR Braves before they go out into the world, earn their own way. The LEGEND staff wishes each and every SENIOR happiness, success, and love. We hope your days at Boone have brought happy memories.

What is in your future? We, the class of 1981, have the ability to be anything we want to be, all we have to do is set our goals and keep striving for them. Our futures can be as good or as bad as we choose to make them .. the choice is yours

HOME OF THE **BOONE BRAVES**

Empty halls
with echoing walls
tell a story of
days gone by.

Sunlight flooding
through crystal windows
on the stairwells we
used to climb.

Now we're off
to life's great dreams —
no more cheerleaders
or football teams.

The familiar faces
are all gone;
those three years
they seemed so long.

Long we'll remember
our high school years
as we look back,
our eyes full of tears.

— Dan Duffy

Bicky,
I'm glad
we got to meet
you and I hope
we see each other
next year. Have a
fun summer and
good luck with Bobby.
